Chapter 1 - Blue	2
Chapter 2 - Green	3

1 - Blue

Blue

Blue is the color of the sky
it is even on a tiny little fly
There are blue cellphones, birds, and cars
It is probably even on Mars
Blue is everywhere around you
on your clothes too
Blue is so nice
And it doesn't have a price

2 - Green

Green

Green is clean

Green is serene

There are green clothes, shoes, and foods

Green also goes with different moods

Green can be dark medium, or light

It is such a delight

So the next time you see the color green

It does not just stand for being mean
