Chapter 1 - done no WRONG

2

1 - done no WRONG

I'm a toy that you can play with,
Hit and punish me, cas ive done nothing wrong,
I've done no WRONG,

But still you bind me in these imaginary chains of religion,
And hypothetical dreams of a god that doesnt exist,
I've always been the little girl that follows your every word,
Go to church and do the right in the way you think it should be,
But you still hold me down,
Not letting me be free,
Be me,
I've done nothing WRONG,

Why for all those years you lied, all those lies of what is right and wrong,
You said in the end id be with him in heaven,
But how can that be,
If there's no god,
I've done nothing WRONG

So why do you punish me,
..... for having the free will that you promised me
