## 1 - poem

Named after great men of the renaissance,  
One of the four brothers had left to train,  
Time passed; no know of him and no response,  
Realizing it was time, he dropped by plane,  
The leader was welcomed by all, but one,  
The stubborn one showed him no joy when seen,  
Left with thoughts of being the chosen son,  
The leader realized his nightly routine,  
Their feud set off a fight between the two,  
Consequently, one was snagged by bad guys,  
The brothers assembled, versed what to do,  
Their leader saved, differences left to skies,  
Sai, bo, nunchakus, and katana blade,  
They saved the world and left to an arcade.
