Brock: I say yes... a little plan ride won't do harm
(Ash and Brock look at Misty pleadingly)

Misty: Fine... If we crash don't say I didn't warn you...
(They all run to the airport)

Ash: Yeah! We're here!
(Pilot looks at them, he's old and raged looking)

Pilot: So... You and your friends *smiles* would like a ride?!

Ash: Yes sir we would!

Misty: Yeah... I guess (Looks at pilot) Is that piece of metal safe? (Pilot grins)

Pilot: It's as safe as... well... It's safe! Don't worry that pretty little face off now...

(everyone climbs on, Misty shivers as she steps on, then see's a rusty bolt)

Misty: Uh... Ash...

Ash: Later Misty! Hop on already!

Misty: But... fine...

(When they get on, it's a little cramped, there are only two seats for passengers, Then look at the pilot for suggestions, they all sweatdrop)

Pilot: Oh! I see... hmm, only two seats... hmm, well, Brock... sit in that seat, and Ash... You and your girlfriend sit in that seat, you will have to share that seat... but it won't be a problem, because your a couple... right? (Ash and Misty sweatdrop, Brock laughs)

Ash and Misty: We're NOT a couple!! *Pilot sweatdrops*

Pilot: Sorry 'bout that... but, you will have to sit in the same seat...

Ash and Misty: We DO!?!?

Pilot: yes...

Brock: HAha!!!!!!!!!!!! (Misty slaps him) *sweatdrops* ouch...

(Ash and Misty then looked at each other, then sat down in the seat and buckeled up, then blushed)

Misty: *oh my god... I'm actually sitting next to him... this rocks* Ash your taking over the seat! Scoot over!

Ash: *glares* whatever... *why is she always so mean... and why do I like her... huh*

Brock: You two look comfortable!! hehe...

Misty: Brock! If I could just reach you, your head would be inside out!

Brock: *sweatdrops* jeez...

(intercome beeps on)

Pilot: Ok! My name is Pilot Joe! But you can call me Joe, or Pilot... or Pilot Joe! Anyway, welcome to flight 87! Don't worry, i'm an experienced flyer, but old, I might have health problems... But thats okay!

Misty: WHAT! ... He. Has. Health problems... (turns head slowly to Ash, looks as if she was about to tackle him, but instead she puts her head on his sholder) ... oh my good, we're going to die!

Ash: *sweatdrops* uh... okay... it's fine misty, he said he was experienced (pats her back) ... it's okay? (Misty feels Ash's hand on her back, she blushes and so does he. Pilot comes out)

Pilot: I thought you weren't a couple? Haha I'm just joking! (looks serious) I just heard from the tower... *sighs* there is a huge storm headed our way... and *smiles* I already took off! Haha! (goes back to flying the plane)

Misty: oh my god... he's crazy... (takes deep breath then looks at Brock) I need your soup... about now...

Brock: uhh Misty I can't make soup right now... we're in the air...

Misty: I know that Brock!! (Brock sweatdrops)

Ash: jeez... Misty settle down... what's your problem with planes? (Misty took a deep breath, then looked at Ash)

Misty: Look Ash... I- (Ash looked at her curiously) I-... nevermind... I'm just, worried about... *sighs* the storm...
(Brock moves close to Ash)

Brock: I think she's hiding something...

Ash: me too Bro- AHH!

Brock: Oh my... Ash! Get my first aid kit! Now!

Ash: What about the plane!?

Brock; Just go! The plane will be fine! *Ash runs out the door, but before he got to Brock's backpack, Misty grabbed his arm and looked up at him, he thought she looked incredibly pale*

Ash: Misty... are you okay...

Brock: Ash get it know! We might lose him!

Misty: Ash... whats going on... (ash just looked at her then got the first aid kit and ran back to brock)

Misty: Togepi... i'm so scared...

Togepi: Togi, togi...

(yhe plane shook wildly, Misty scam. Ash walked out, then looked sadly at Misty, he then sat down next to her, and looked down making his hair shadow his eyes)

Ash: I'm sorry Misty... this is all my fault...

Misty: Ash... What happened?

Ash: just... buckle up... Brocks controlling the plane...

Misty: What... Ash! What happened to the pilot!? Tell me where we are going!

Brock: Do what Ash say's Misty! We don't want you to panick... Just buckle up... now!

Misty: Oh my god... ash... are we-

Ash: Misty... listen... *looks at her directly* The pilot's heart failed... We're going to have to crash the plane...

2 - Mew-who?!

*-means thinging, or shows emotion

narrator: We left off as Brock was trying to control the plane, Misty started panicing, and Ash tried to calm her, But in Misty's mind, the reason why she is so scared, was a mystery... for now.

Ash: Calm down Mist! Brock can handle the crashing well! It's going to be fine! (Ash took her hand and shook it). *Why is Misty freaking out so much, I have to get her to tell me, and then maybe, I can help*

Misty: Ash! No! ...Ash just calming down when we're about to crash *she shaded her eyes with her hair, then cuped her face in her hands* ...Isn't that easy for me... Ash, something horrible happedened to me before I met you... (Ash looked at her hoping to get an answer) ... B-but I can't tell you... I'm sorry

Brock: Hold on guys! Some strange out of nowhere wind is coming right at- Oh my god! (keeping voice low so they can't hear them) Fires in it... what made it like that!?

Ash: What happened Brock, why is it hot all the sudden!?

Misty: (looks out window, sees large flame and wind mixed in it) Ash! Look!

Ash: (Bends over almost on top of Misty, she blushes, then suddenly Ash grabed herr and then pulled her to the ground, he then got on top of her trying to protect her from the coming desaster) Misty! Just stay down! ...well be fine... I promise

Misty: Looks up at him then sighs, and starts crying) *I need to tell him! I just have too!*

Ash: Mist, if you have to tell me anything... (hoping to get answer) ...this would be the right time to...

Misty: Ash-

Brock: Guy's it's coming straight at us! We need to crash to save our lives! There's an island under us, I'm going down!

Ash: Okay! ...(looks at Misty) ...anything, would be right now...

Misty: Ash... (sighs, has flashback)

Mans voice: Girl! yes you with the orange hair! Get off now!

Little girl: b-but I don't want to leave you... do you even remember my name... You found me again,

Man: I do... Misty, right! I know you came to this trip to find me, Misty. But Mom and Dad, they can't change my life... I chose this one!

Little Misty: B-but you could die! I don't want that to happen to you Keith! I don't want to just be with my sisters! I want to be with you! ...my brother, my big brother... That's why I'm a tomboy! Because me and you hung out all the time! Until you chose this life!

Keith: listen... I may die, but I want you to live, live with your sisters, you are a girl you know *laughs*

Misty: I know big brother...

Keith: listen, there's a pokemon with strong winds mixed with fire, and it's attacking us! I need you to- (A huge pokemon breaks the front of the plane, and grabs Misty's brother, and kills him with one blow of fire, then flies off leaving Misty freefalling from the sky, she then lands on someone's pokemon, her sisters)

Pokemon: I'll be back for you, human! someday! I will!

Ash: Keith who's Keith?! (Misty ignores him)

Misty: (quietly) That pokemon... (loudly again) ...Brock! Crash it! Now! I know that stupid pokemon! It will kill us! Just drop, Now!

Ash; wh-what is that thing!?

Misty; Ash! Get out of here! (The pokemon flies in, then stands on the floor of the airplane, and uses psychic to lift Misty up, she chokes, and tries to break free, but feels as if she is paralyzed)

Brock: Ash! What's that?! And what does it want Misty for!?

Ash: I'm not sure, Brock... But, it looks strangely familiar... we've got to help Misty!

Pokemon: You really don't know what I am do you!? I, I am the newly cloned, MEWTHREE! I was cloned

from Mew, and Mewtwo! but Fire molecules fell in! I captured Misty's relative! And now, I've got her! I am 100x's smarter, and stronger than Mewtwo! So stay away! .., You have been warned!
