Chapter 1 - 3roads

2

1 - 3roads

3 roads part ahead
one lies death and
one lies dread
the other we dont
talk about
it is worse
then death itself
if you choose
to take that path
you will experience
a terrible wrath
in mistake i took it once
since that day ive never
been the same
full of horror full of shame
if you ever come upon this path
run away and never look bak
