When we last saw our heros Hiei got turned into a chibi.Lets see what happens.We find Hiei lying on the couch watching tv."Hiei,why don't you go outside."Jennifer rubbed his head."I don't want anyone to see me like this."Hiei changed the channel.(He's so stubborn and so cute^_^)Jennifer pointed her wand at the tv and turned it off.She picked Hiei up."What are you doing?!?"Hiei struggled."C'mon Hiei bear the day is almost over the least you could do is not be a lump."Jennifer explained.Hiei made these cute eyes.Jennifer hugged him."That's cute but your still going out side."Hiei slipped through her arms and ran off."I wouldn't be one of the greatest fighters if I were clumsy."Hiei ran off."Hiei! Come back here!"Jennifer ran after him.An hour later(It's 10:00am in the story)"Hiei where are you?"Jennifer crept through the house.She heard a crash.She saw Hiei trying to clean up the photo he knocked over.It was their wedding picture."Hiei, here let me help."She cleaned up the picture and got a new frame.She picked up Hiei and him in her arms."Your so cute."Hiei fell asleep in her arms.She sat on the couch and stroked his hair.She fell asleep.(It's 4:00 in the story)When she awoke she saw Hiei's face his eyes started staring at her."AHHHHHH!"Hiei jump off the couch."Don't scare me like that."Jennifer chuckled."What time is it?"Jennifer looked at the clock.(It's 11:59 in the story)"It's alomst midnight."Jennifer looked at Hiei.Hiei jumped on her and lyled on her.Suddenly Hiei was

glowing and soon he grew to his original size. Check out my next story+_+
