1 - The rock and the key

Jennifer's world

By:punkrocker

We find our heroes in a dark forest. Jennifer told them about her home town. "So your parents lived in a rock?" Yusuke asked. They were looking at a rock that Jennifer led them to. "No, the rock is just wall to protect the town. I just need the key." Jennifer took out her wand and placed it on the rock. The rock started to open up. "C'mon follow me." Jennifer jumped into the rock. The others followed. They landed in a town. There was shops, hotels, and trees every where. Jennifer spotted a fairy. "Amber!" Jennifer called her over. The fairy had light red hair, a blue skirt, a blue t-shirt with a flame on it, and a flame followed her. "Jennifer, it's been to long. How are you?" Amber asked. "I'm doing fine. I got married." Jennifer replied. Amber came up to Hiei's face. "Is this your kid? He's so cute." Amber pinched Hiei's cheeks. "Actually, that's my husband." Jennifer chuckled. Amber looked at Jennifer then Hiei. "Oh, so sorry." She let go of his cheeks. "So what are you doing here?" Amber asked. "I thought I'd take my husband and my friends to see this place." Jennifer answered. "Let me take you to Kim." Amber led the way. Kuwabara chuckled about that comment. Hiei whacked him in the head. "Kim!" Amber called. Kim had black hair, a white and purple kimono on, she had white wings, and she had a light purple glow. "Hello Jennifer." Kim came up to Jennifer. "Amber, told me that you have a husband." Kim explained. "Kim, isn't having the best luck with men." Amber teased. "Will you shut up!" Kim yelled. (So much for the nice

fairy+_+)"Lucky, isn't having much luck either." Kim explained. Suddenly a woman was heard yelling at a guy. "You prevert!" The woman slapped him and walked away. (Is every screaming to day+_+) The woman had red hair in a braid, she had a white top and white pants with four leaf clovers all over it, and in the middle of her forehead was a horn. She came up to Kim and said "Men, they're such idiots!". "Lucky?" Jennifer looked at her. "Jennifer?" Lucky started staring at her. (Unleash the squeals in 3...2...1+_+) "It's been so long." Lucky said cheerfully. (Well that was a waste of a count down+_+) "And who is this? You're so cute." Lucky hugged Hiei. "That would be my husband." Jennifer chuckled. "Just because I'm short doesn't mean I'm a child!" Hiei said angrily. "Oh sorry." Lucky let him go. "So how are you doing?" Jennifer asked. "Not so good. I'm trying to find the right guy for me." Lucky twirled her braid. Yusuke thought of something, but it went away.+_+ Wonder what he's thinking.

2 - The battle begins

Uncle Frank

When we last saw our heroes, Jennifer brought them to her home town. They meet some of her old friends. But something evil awaits them. We find our heroes at Lucky's house. (That's weird. Usually they go to Jennifer's house+_) "I'll make some tea. Make yourselves at home." Lucky went to the kitchen. "It's so great to be here." Jennifer said cheerfully. "You shouldn't have come." Kim said serious. "He's still here." Amber explained. "Who's here?" Kurama asked. "Francis." Lucky replied. She set down the tea. "I thought he was gone." Jennifer said shocked. "No, one of his goons brought him back from the dead." Kim explained. "I hate to interrupt, but who is Francis?" Yusuke asked. "Francis, is my uncle. When I lived here my friends and I were protectors of the town. Francis, is the most powerful warlock in the land. He planned to take over demon world, human world, and magic world. A long time ago we defeated him in battle. But, now he has returned. And I guess since he heard that I married a demon, his blood is steaming. If we don't stop him, this town is doomed." Jennifer explained. "Wait, if he is the most powerful warlock, then who is the second powerful?" Kuwabara asked. No one said anything. Amber, hit Jennifer in the side. Jennifer's hand went up. "You!" Kuwabara said shocked. (It's kinda obvious+_) "Well, what are we waiting for. Let's go and send him back to his grave!" Yusuke said pumped. "Wait, we need two things." Jennifer held up two fingers. "And what would that be?" Hiei asked. Jennifer pulled out a whistle. She blew the whistle and a portal opened up in the wall. Suddenly, Blizzard and Mushi came out of the portal. "What do we need them for?" Yusuke asked. "Believe it or not, these two were the animals that helped slay Francis." Lucky explained. "What that little fur ball!" Yusuke chuckled. Suddenly, before the portal closed Yoshi came out. "Oh no, Yoshi go back home." Jennifer told him. "It's too late for that." Hiei pointed to the portal. "Oh well." Jennifer sighed. Jennifer stood up and yelled "Ladies and gentlemen we begin our journey now!" Jennifer and the others charged through the door. "Let's go put him back in his grave!" Yusuke yelled.+_+Now this getting interesting!

When we last saw our heros.Jennifer told about the origin of her town.Now they have to face Francis.We find our heros running to the dark cloud."That's his castle up ahead."Kim explained.They reached the castle and stopped."Wait you guys."Jennifer stopped.Jennifer sprinkled dust on Mushi.Mushi's body started to glow.His body started to transform.Soon he was a giant black panther."Wow!"Kuwabara looked at the giant cat.They got on the cat and the griffindor(Blizzard=Griffindor+_+)They flew up to the cloud.Once there they saw an army of the living dead."Not a pretty sight."Yusuke said grossed out.They were about to attack the army head on.When a man with white and red armor came out of the crowd."Welcome."The man said with a high pitched voice."Lets fight!"Suddenly everyone turned into bunnies."What the?!?!"Jennifer then heard a voice calling to her.It became louder and louder until finally she could see Hiei's face.Jennifer woke up and stood in bed."It was a dream."Jennifer whispered."Morning,I had a weird nightmare.I was a rabbit in this perky world."Hiei shivered a little."I had one like that.Except it had my old friends and you guys were in it."Jennifer explained."That reminds me your friend Lucky,stopped by to see you.She wanted to say she finally found a perfect guy."Hiei explained."Whats his name?"Jennifer asked."Jin"Hiei replied.(What next+_+)"Next time I'm not eating ice cream before bed."Jennifer said

laughing."Well,I don't know about you ,but I'm going back to bed."Hiei yawned and went under the covers.Jennifer cuddled Hiei.+_+That was a dumb ending.
