YISHA THE MOTHER OF GOKU (Andraditz) By PurpleTwist Chapter 1: It starts on the planet Vegeta. Yisha was going to the park to read her book while the sound of children's laughter was on. She remembered the time when her cousin Raditz wouldn't behave in the park when he was little. Yisha would get mad at him and fly him home. The thought of her cousin made her sad and a tear would run down her cheek because Raditz had died in war on planet xy63. The last thing she had left from him was a necklace with a forest green stone on it. Yisha would hold the stone in her hands never letting go. Today was different somehow she heard a little girl scream when she heard her Yisha was off to save the girl. The little girl was crying because two Saiyan elite soldiers were picking on her. "You're under a rest" said the first soldier. "What did I do?" the little girl asked. "You are under a rest cause we felt like it," said the other soldier. "Well I don't" said a voice the men turned their heads to see Yisha standing ready to beat the crap out of them. "You think you're tough. So by proving it fight me not some kid," Yisha teased. The first soldier said, "I'll go first" Yisha took a power ball and killed him. "I'm going to report this to the king" the other soldier told and flew to the palace. "Well better go and explain the king what he was doing". Before she flew the little girl came up to her and said "thank you for saving me." Yisha looked down at the girl and said, "What's your name?" "Elemi" the girl replied. "Well Elemi where are your parents?" Elemi stared to the ground and said, "my parents are dead." Yisha hesitated and then said "come with me where going to the palace" and with that Elemi and Yisha flew to the palace. Chapter 2a request from the king Back at the palace King Vegeta was in his throne room when the elite soldier from the park came to inform Vegeta "king Vegeta that a female Saiyan took down a soldier in the playground". Vegeta stood up from his throne and said "interesting now tell me what was the soldier doing in the playground in the first place". "Well he was..." the soldier mumbled "he was picking on this girl" came a voice. Yisha and Elemi walk right in the room Elemi was staying right next to Yisha. "She the one Vegeta arrest her" the soldier told the king. "Like I'm going to listen to you" and with that he sent a power ball right at the soldier and killed him. "Well Woman now that you're here I want you to do something about the girl" began the king. "I want you to kill her" those words shock her the king didn't care about the child he wanted her dead in anger rage she shouted at the king "WHAT kill her are you insane she was almost killed by those soldiers and you want me to kill Elemi what kind of king are you said you would never kill a Saiyan well I got news for you I not going to kill her she's going to live with me". Yisha turned and pick up Elemi and flew out of there. Chapter 3 Elemi's new home When Yisha got home she said to Elemi "this is your home now don't be afraid I will go set up your room". While Yisha was setting up the room Elemi was looking at the photos of Yisha with a Saiyan man next to her "ok room set up" Yisha came out "Yisha who is this" she was pointing at the man in the photo "Yisha took the photo out of Elemi's hand and said "that's my Cousin his name was Raditz he was a great man but he died on the planet xy63" Yisha breath heavily "Oh sorry I didn't know" Elemi said to try to cheer her up "we have to get ready tomorrow" Yisha said "do I have to go to school" Elemi said "yes you have to now your room is down the hall to the left" before Elemi went to bed they had something to eat then Elemi went to bed tired and sleepy from her day. Yisha carried the sleepy girl to her room and kiss her good night she shut the lights out and close the door. Yisha sat in the night looking at the stars and said "I hope Elemi happy here she has no where to go and the king will kill her so she will say with me". Then Yisha went to bed and hope that Elemi was happy with her. Chapter 4 love is forever The next day Elemi went to school Yisha went to buy some stuff for Elemi.
