A Beyblade Story

Ok I don't own beyblade but I do own some of the characters. Most of the characters are friends on FAC who want to join. I would like to thank Amaya_Ivanov for persuading me to start writing this Fanfic! Lol tazz

He could just about see her on the other side of the field. He shaded his eyes from the blazing sun and started to run towards her. She turned and smiled at him and opened her arms wide for him to hug her. he ran into her arms, picked her up and spun her around before setting her down onto the ground again. Slowly he brought his face to hers and kissed her. she started to mumble his name in each breath they took from their passionate kiss.

"KAI! KAI! KAI! WAKE UP YOU IDIOT!" Kai jumped and glared at his awakener.

Ray: Kai u were dreaming of Britney Spears again weren't u?

Kai: *blushes and wipes his lip where all his drool was sliding down his chin* shut up Ray! No I wasn't.

Ray: o_o sure you weren't Kai. That explains why u were snogging my winnie the pooh!

Kai: (grunt) what's for breakfast?

Ray: ask Tyson it's his turn to cook today.

Kai: * throws up * no!!! please not Tyson's cooking!

Tyson: breakie's ready!!

Ray and Kai: o_o* runs out of the house *

Tyson: oh well maxi. I guess its just you and me..! (prrr..)

Max: * squeals * I think I'll pass Tyson.

Tyson: ok more for meh!!!

Selina: there! Done! Amaya I've finished my invitations!

Amaya: good for you.

(Two girls walk into the room)

Lisa (monkey-ninja): what's going on?

Amaya: it's the invitations for my birthday dumbass!

Akira (akirahiwatari): it's your birthday?

Tazz, Amaya, Selina, and Lisa: O_O

Akira: I'll take that for a yes....

Tazz: we're going to go to the movies!

Lisa: cool! What are we watching?

(Everyone looks at Amaya)

Amaya: er...well...how about we watch;

Selina: the sponge bob movie!

Everyone: NO!

Selina: it was only a suggestion!

Amaya: hey I know! Let's watch just like heaven!

Lisa: no way man! The boys aren't gonna like it!

Tazz: we need something with action so then both dudes and dudets can watch it.

Akira: how about a scary movie! Then Brooklyn can rap his arms around me...

Tazz: yeh ookk...

Lisa: how about the mummy?

Ray: guys should I wear the white kimono or the black kimono?

Kai: err... u have a black one?

Ray: no I was going to buy one on the way to the cinema.

Kai: sure...

10 MINUTES LATER

Kai: ok everyone get into the car!

Diachi: we have a car?????

Ray: just get into the car! Raysbabygal is the writer and she can do whatever she wants to do with this story!

Diachi: ok I'm confused

Ray: she's the best... *start to daydream of me!*

Kai: snap out of it ray! Ur supposed to like Mariah not the writer!

Ray: oh right. Sorry. I thought I was supposed to love Tazz?

Kai: that's later on in the story u dumbass!

Ray: oh....

Tyson: *sniff sniff* I'll miss you guys. Waaaaaiaiaaaaaiaia!!

Max: er... Bye Tyson!

(All of them pile into the car which before you ask, was a Ferrari! Only the best for Kai, who was the driver of course! Unfortunately not far in front the buff car broke down and they all had to push it to the cinema apart from Kai who was sitting in the driver's seat relaxing!)

Ray: FINALLY!! We've arrived!

Max:

Ok this was the second chapter! It's really bad I know but I didn't know what to write about! But don't worry! All the juicy parts are going to be in the next chapter!!

Lol u can still join! But hurry before your favourite character is taken!

NOTE TO AKIRAHIWATARI::::: don't worry about me mentioning you liking Brooklyn. The thing is you actually fancy Brooklyn until you meet Jin at the cinema! Ok<? Lol

3 - *****

Hello all my cool readers! Sorry it took me so long to add another chapter! I was kinda working on my other story and was really busy! Anyway I've decided to split the love scenes into parts. In this chapter the romance begins with Ray and me and Amaya and Tala! Hopefully I will finish the fourth chapter soon and will post it up!

Tazz: Amaya, it looks like everyone's here apart from Kai and his crew!

Lisa: I hope they make it in time! I can't wait to see my Daichi!!!

Selina: pleaseeee...!! What makes you think that Daichi like ya back?

Lisa: trust me, he does.

Selina: sure. At least I'm not wasting my time running after;-

Kai enters the cinema followed by Ray, Max and Daichi

Wow....Kai looks fine....

Lisa: o_o I thought you just said you didn't waste your time running after boys?

Selina: u probably heard wrong.

Amaya: hey guys you made it!

Ray: sorry about taking so long. Kai forgot to fill the tank up with petrol before we left. * sends a death glare over to Kai *

Amaya: don't worry about it! Come on the movies about to start!

* Tala walks up to them *

Tala: what are we watching? Can we hurry up and go in yet?

Amaya: yeh ur right we better go in. we're watching the mummy!

Tazz (from the other side of the cinema): WHAT!!! I THOUGHT WE HAD A CHANGE OF PLANS!!

Amaya: well we voted and decided we wanted to watch u piss in ur pants while watching the mummy!

Tazz: that's not fair! Sorry Amaya but:-

Ray: don't worry, it'll be ok.

Tazz: * blush * but...

Ray: trust me. We'll watch it together ok? I'm not such a big fan of the mummy either.

* He sends one of his dazzling smiles to Tazz grabs her hand and pulls her into the dark screen room. Everyone else follows.*

Amaya: well that's everyone. (Turns to go into the room when all of a sudden someone grabs her wrist. She turns around and comes face to face with Tala.)

Tala: oh Amaya... happy birthday. * kisses Amaya lightly on the cheek making her blush madly*

Amaya: Tala...

Tala: come on, the movies gonna start. *hand in hand they go into the room*

(Suddenly someone bursts into the cinema and runs madly up to Amaya and Tala.)

Amaya: Yorda! I thought u weren't gonna make it!

Yorda: *while catching her breath back* well what kind of friend would I be if I didn't come to your birthday!

(She hands Amaya a present)

Plus I heard that sexy boy Brooklyn was going o be here!

Amaya and Tala: o_o

(Someone comes out of the shadows and startles everyone)

Akira: sorry Yorda but Brooklyn's already taken!

Amaya: hey I thought you were inside already.

Akira: I was but I was wondering what was taking you and Tala *wink wink* so long to come.

Yorda: hey hey guys back to the convo that we were having!

Akira: Brooklyn's mine so get ur dirty paws of him understand?!

Yorda: we'll see about that....

Amaya: yo break it up guys! We're friends! Come on let's go in and enjoy the film.

(they all walk into the cinema.)

Ok sorry for the chapter not being that funny or romantic but it was only the start to the love parts! In the next chapter: akiraXbrooklyn n jin kazama AND yordaXbrooklyn !! You'll see what happens to them...!!
