I was just thinking about random stuff while getting ready for church this morning and wrote this up in like ten minutes. Yikes. Uhh, I am, by no means, a poet. So... I'll just leave it at that. Enjoy my attempted poem.

Chapter 1 - A Night To Remember

1 - A Night To Remember

One day here, the next day gone
Goodbye 'Prince Charming'. Take care! So long~
No second chance for next year's prom!
Swerving, spinning everywhere
Girls with glitter in their hair
Eyes rolling
Drinks splashing
Bright lights shining
Shadows on our face
A night indeed meant to leave a trace
Smiles and laughter fill the space
It started out so happily, you never would have guessed
Why last night's memory skewered all the rest
Met that semi right head on
One day here, the next day gone
Goodbye 'Prince Charming'. Take care! So long~
No second chance for next year's prom!
Swerving, spinning everywhere
Girls with glitter in their hair
Eyes rolling
Drinks splashing
Bright lights shining
Shadows on our face
A night indeed meant to leave a trace
