1 - A dead Life

A dead life.

To see the world is a wonderful thing, but to touch it you will never be the same. All the glories of your life will leave you till you die, but is it you die a mortal's death or die a devil's death? Created you are by another demon. A vampire to the world, a dead soul to the hearts. Walking in the night and feasting on others is lonely with no love. Living for eternity, seeing things your past life couldn't. Rotting in a hollow existence. Hating what you are and despising others. So lonely with no love.

that is it i had more but it so sucks. please leave a comment and i hope yall enjoyed.
