Chapter 1 - 1

2

Entangled in my web of hate,
I find no one to which I can relate,
The pagan enchantress, yep that's me,
Condemned to burn for eternity,
Now I realize I need a change,
To get right with the Man and rearrange,
As I seek redemption from the Holy Book,
I see a mirror and take a look,
My reflection back at me with striking blue eyes,
But the thing I don't see is the surprise,
Something inside with a powerful love,
People tell me that it comes from above,
Only I know the strength within me,
That same strength is the one that damns me.
