You might be in a better place but im not so far away. evan though your happyer im not so bright any more. every day i wake up and look in your bedroom and see u not there. it hurts to know your gone. i look at the pictures in ur room and see all the great memories we had. but now that ur gone there fading away. i thought u were going to stay forever but beleife broke all my memories of u are crumbled. but i will always waite untile we meet again.
