**Chapter 1 - i blink**

**2**

## 1 - i blink

When my eyes are open, you can be my friend.

But every time I blink you've turned your back again.

I know you hear my pathetic, soundless plea,

but every time I blink I know you gave me up.

You only befriended me to see how much I suck.

You think you know it all, im a loser, poser, and fake.

But that's not enough, you need to make me break.

So you spare me a wave and a quick glance.

But you can't fool me I know you're fake for every time I blink you turn your back again.
