Chapter 1 - My life as I knew it

2

1 - My life as I knew it

My life, as I knew it, has ended.
My love you left me stranded,
you gave up on the never ended support I share.
What happened to our vow?
'I'll love you forever if you love me.'
I never stopped loving you, so what happened?

My life, as I knew it, has ended.
My mother please don't go,
I'll take the beatings from father. Please stay.
Your addiction means nothing,
If you would just act alive again.
I'd do anything for you to treat me like a child again.

My life as I knew it has ended.
My love has left me.
My mother gave into her addiction
My father hurts me.
And is a selfish abusing bastard.
My sleepless nights make me think...

My life as I knew it has ended
Most definitely, for sure.
For my father threatened my love and pushed away my mother.
And has forever messed with me.
And now he shall forever rot in hell,
as I, forever, rot in jail.
