1 - Happy Days

One day Jin and Senko decided to go to the beach.... (what could happen here)

When they had finally gotten to the beach they forgot the most important thing to Jin for swimming Floaties! Jin was literally screaming his head off cause he was scared of the water! Senko says "Well,well,well, so you are afraid of something Jin!" "hey you are the one afraid' of kechup' lassie" Yelled Jin playfully. Just then a giant wave made Senko go under the water. Jin was panicking. He jumped in the water grabbed Senko And went to the shore.

Senko wasn't breathing... Jin was trying to determine whether or not to do mouth ta mouth. Jin's thoughts were " She's going to kill me if I do this, But If I don't she might die!" So he took a huge breath(he's the wind masta I think he has huge lungs) and MTM Senko started coughing. Wha What happened? Senko asked...

Jin answered stupidly "Ya fell in tha wata and I had to do CPR on ya!"

Senko turned red as a beet and said "Jin..."

What? "Thankyou!" Senko said.

"Your welcome" Jin said blushing. She is so pretty he thought.

Senko has whiskers that picks up thoughts and says "yo Jin, So that you know I heard that!" So as you can see Jin and Senko are really good friends(wink).

The next day Senko was very happy and hippity hop around the house.

Jin came in from shopping and asked why she was so happy.

"I'm just so happy that me and you are friends Jin!"

"Oh yay you got my catnip ,catnip catnip She ran off singing.

Jin started to say something but said nothing.

He flew out of the house and of course Senko followed out of curiosity.

She found Jin laying on a cloud high in the sky.

I'm so happy and bouncy today.. I just need to dance. She started doing a river dance. She pulled Jin in and they fell at the same time laughing.
