Biography-

Desty is 15 and in the 9th grade, her mother is a drunk who doesn't give a shoot about her. Her father beat her almost daily up until last year when her brother turned 17 moved out and took her with him to live in a small 2 bedroom apartment. Her boyfriend is almost always with her. She doesn't have a lot of friends but the friends she does have she is very close to. Desty is very hard to get close to because she's been hurt so many times in the past.
