1 - Jennifer Pedrosa

All the warriors sat doing their own thing; Kimiko was playing Goo Zombies 3, Raimundo was playing with a Hackey Sack, Clay was carving himself out of wood, and Omi was practicing his martial arts. Dojo then comes running in. "I've got two good news. One, a new Shen Gong Wu just revealed itself and there's going to be a new Wudai Warrior!" Everyone smiled. "Wow...a new Warrior? That's awesome!" Kimiko said smiling. "Yeah, I wonder who it is." Raimundo said. "But Master Fung said there is only four elements..." Omi started, but Dojo interrupted. "NEW SHEN GONG WU! DOES ANYBODY CARE?!" He said. Everyone looked at it. "Sure, what wu is it?" Kim said.

Dojo took out the scroll. "It's the Laser Sheen. When used, a laser beam shoots out and allows you to battle with it. Seems a little Star Wars to me." He said. Everyone jumped on his back and took off. They looked down and saw rocky mountains. "Great, more scars to add to my collection." Rai said rolling his eyes. "Oh c'mon Rai, it isn't that bad." Clay said. Dojo landed. "Dojo, where exactly is the Wu?" Kimiko said. "Uh...I have a strong feeling its over...THERE!" Dojo said pointing in the West direction. Everyone ran in that direction. There was nothing but rocks everywhere. Everyone rolled their eyes. "Dojo! How are we supposed to find the wu under all these rocks?!" Rai said. Kimiko smiled "I know, Wudai Mars, Fire!" She said instantly the rocks busted and pieces of it flew everywhere.

"Good job Kimiko, now we can surely find the Shen Gong Wu!" Omi said. Everyone began digging through the pieces of rocks to find the Laser Sheen. "Dojo, I have one question, what does the Wu look like?" Rai said. Dojo made a face. "It sort of looks like a pen, about the size of a cell phone." He said. Everyone nodded and continued looking. A few minutes later, Kimiko claimed she found it. She held up a green cell phone-sized-pen-looking thing. "I think this is it!" She said. Everyone walked over to her. "Good job Kim! Now, let's get home!" Rai said. "Not so fast!" Everyone turned and Jack Spicer came flying down on his helicopter back pack. "This Wu is mine!" He said and grabbed it. "Well, guess what Jack, I challenge you to a Xiaolin Showdown!" Kimiko said. "Fine, the game is rock smashing, first one to find the Laser Sheen in a rock wins." Jack said "Ok. I wager my Golden Tiger Claws for your Monkey Staff." "Let's go Xiaolin Showdown!" They yelled. The rocks grew bigger and bigger. Kim and Jack's eyes widened.

"Gong Yi Tampai!" They yelled. Kim and Jack began running Jack looked at Kim and laughed. "Monkey Staff!" He yelled. Kim watched Jack run and smiled. "Golden Tiger Claws!" She yelled. A portal showed up in front of Jack. Jack screamed. Kim punched him in the stomach. She turned around and saw a rock. "How am I gonna pick it up?! I don't have a Wu for this!" She said. "Just use your element!" Kim turned and saw Rai with his hand in the air. She nodded and jumped in the air. "Wudai Mars, Fire!" Fire balls formed into her palms. She threw the fire balls at the rock and the rock blew up. She put her hand in front of her for protection. Nothing. Kim stomped her foot. The Shen Gong Wu wasn't there. She began to run. Then she saw another rock. She looked at it. She turned around to see Jack punching a rock with his monkey powers. "Aw man, Jack's on fire! I have to pick up the pace in order to beat him." Kim thought. She looked at the Tiger Claws and smiled.

"GOLDEN TIGER CLAWS!" She screamed. She transported on top of the rock Jack was punching. Pieces of the rock flew around. Kim looked at Jack and smiled. She kicked Jack in the face. Jack flew

back with his girly scream. "This rock is mine!" She said with a big smile. She began jumping on the rock. "No fair! Jack yelled. The rock broke. Kim made an angry face. She heard Jack laughing with his monkey screams. She turned around and Jack had the Laser Sheen in his hands. The Tiger Claws disappeared from her hand. Jack flew away laughing. Kim had her head down, ashamed. The boys ran up to her. "Kim, what happened you basically had the Wu in your hands." Rai said. Kim jammed her hands in her pocket and walked away with her head focused on the ground. "Never mind. I don't want to talk about it." She said in a low voice. She walked up to Dojo and kicked a little rock. "What's the matter Kimiko, I thought you had the Laser Sheen." He said. Kimiko looked at him "Just drop it Dojo! I obviously lost it in a Showdown!" She said. Dojo grew big. "Sorry, just asked." He said. Kimiko looked at him and jumped on his back, everyone else then jumped on.

When they got to the temple, Master Fung was standing there waiting for them. "Where is the Laser Sheen?" He said. "Kimiko lost it in a Showdown." Dojo said. Kimiko walked past him. "Well, I'll bet you will all be pleased to know that the new Wudai Warrior is here to see you." Master Fung said. Everyone smiled and went into the temple. There, a young girl stood there. She had light brown hair with blonde highlights, and green eyes similar to Raimundo's. She had on a white shirt with a blue smiley face in the middle and a blue jean skirt. She had on white sneakers with a blue trace around it. She smiled to everyone and waved. Everyone waved back. "Everyone this is Jennifer Pedrosa." Master Fung said. Everyone gasped in shock and looked at Raimundo. Raimundo fainted in shock.

2 - Family Matters

Rai opened his eyes and looked around. Everyone was circling him. "Hey you guys, I had a weird dream, my sister became the new Wudai Warrior!" Everyone made a face. "What? Why you all making that face?" Rai said. "Well, Rai, your sister *is* the new Wudai Warrior." Kimiko said. Rai's eyes widened. Kimiko and Omi moved out the way and Jennifer stood there, smiling. She walked up to Rai. "Rai, big brother, shouldn't you be happy to see your lovely little sister?" She said. Rai rolled his eyes. "Sure Jen, I am so proud to see you here." He said. "Really?! You are?!" Jennifer said, happily. "No!" Rai said. Jennifer made a face and walked to the door. She stopped and turned towards Rai. "I thought you would at least be happy for me." She said. Rai's eyes widened. "Happy?! Be happy for what?!" He said. Jennifer turned back around and put her head down. "For being a Wudai Warrior, but I guess you can't be proud of me for doing what I've always wanted." She said as she walked out the room.

Kimiko looked at Rai, mad. Rai made a face. "What?!" He said. Kimiko rolled her eyes. "You know Rai, you can sometimes you can be a real jerk." She said as she walked out the room. Rai sighed. "Great, now Kim hates me." He said. Clay made a face and put a hand on his shoulders. "C'mon Hombre, Kimiko doesn't hate you, she's just upset with you." He said. Rai looked at him. "I don't know why, I didn't do anything to her." He said. Clay walked up to him. "Uh, Rai, it's what you did to yer sister the reason Kimiko is mad at you." He said. Rai looked at him confused. "What did I do to my sister?" He said. "Well, you aren't proud that she became a Wudai Warrior." Clay said. Rai made a face. "But, why would I be? Jennifer is an annoying, bigmouth brat! It won't take a long time for you all to realize that." He said. He sat back down and him Clay and Omi talked.

--With Kimiko and Jennifer--

Jennifer was sitting down on a bench listening to her MP3 player. Kimiko walked up to her and tapped her on the shoulder. She turned around in shock and smiled. "Hey." She said. "Hey." Kim said back. She sat down next to Jen. "Uh, sorry about what Rai said earlier, he can be a real jerk, but I'm pretty sure you know that already." Kim said. Jen smiled. "Yes, I know. I lived with him for 14 years. I know how he is." They laughed. "I just thought my brother would be proud of me, but I guess not." Jen said, her head down. Kim put her hand on her shoulder. "Hey don't pay any mind of Rai. You deserve to be here, so you should be proud of yourself." She said. Jen smiled. "Thanks Kimiko. I guess your right. I shouldn't care what my brother says. I deserve to be here, and that's all I need." She said. She stood up and walked away. She stopped and looked at Kim. "Your a real good friend, I should talk to you more often." She said. Kim smiled and nodded. Jen walked away.

--Three Hours Later--

Master Fung had everyone meet up in the training room. They sat in a circle waiting for him. "Why does Master Fung always do this?! He always calls us up and shows up late." Rai said. Kimiko shot him a look. He stood quiet. A few minutes later Master Fung showed up. "Hello Young Wudai Warriors. As you know, Jennifer, our new Wudai Warrior of Light, is here to stay." He said. Rai rolled his eyes. "I would like to start training a little slow for Jennifer to keep up." Master Fung continued. Jennifer stood up. "No, it's ok Master Fung, you can do training normal, I can keep up." She said. Master Fung nodded. "As you

wish." He said. He faced the others. "Today you all will be practicing how to use Shen Gong Wu with your Wudai element. Everyone please grab a Shen Gong Wu." Everyone grabbed a different Shen Gong Wu, not ones of their element. Instead of the Orb of Tornami, Omi grabbed the Shroud of Shadows. Instead of the Star Hanabi, Kimiko grabbed the Tangled Web Comb. Instead of The Sword of the Storms, Raimundo grabbed the Silk Spitter. Instead of getting the Fist of Tebigong or the Third Arm Sash, Clay grabbed the Lasso Boa Boa, and Jennifer grabbed the Moonstone Locust.

Everyone battled someone else. The first battle was Clay and Omi. Clay spun the Lasso Boa Boa around his head. "Lasso Boa Boa-Wudai Crater Earth!" The Lasso Boa Boa became a giant rock ring and swung towards Omi. Omi jumped and dodged it. "Shroud of Shadows- Wudai Neptune Water!" Omi became invisible, but with a water trace around him. He ran towards Clay. Clay tried to dodge it, but Omi turned into a liquid on the floor. Everyone made a confused face. They watched as the liquid slowly passed between Clay's legs and behind him. It turned back into the form of Omi, and Omi punched Clay and sent Clay flying. Omi smiled and jumped up and down. "Yippe! I won! I am most proud of myself!" He said. Master Fung clapped his hands. "Good job Omi. Now if you want, you may change your Shen Gong Wu." He said. Omi shook his head. "No thank you Master Fung." He said. Master Fung nodded. Kimiko smiled. "Ok Omi, now it's just me and you." She said with the Tangled Web Comb in her hands. Omi smiled. "This will be a mere child's play!" Omi taunted. "And what's that supposed to mean??" Kimiko said, her face red with anger. "Well do not take it the wrong way Kimiko, but battling a girl would be a piece of pie!" Rai rolled his eyes. "Pie Omi pie! A piece of pie! Goodness, and you would think he would catch onto slang by now." He said.

Clay looked at Omi. "Uh, Omi I think you know how Kimiko gets when you underestimate her because she's a girl." Clay said. Omi smiled. "Oh, I know how Kimiko gets. I am only getting her angry so she may give me her best." He said. Kimiko's face got redder. "Oh, your gonna get it Omi! Tangled Web Comb- Wudai Mars Fire!" She said. Fire string flew out the comb and quickly flew towards Omi. He smiled. "Water!" He yelled. The fire on the stings sizzled off. Kimiko's eyes widened. Just before they claimed that battle as over, Kimiko held her hand up. "Wait! I'm not done." She said with a devilish smile on her face. She held the comb in her hand and had it over her head, pointing towards her head. "Tangled Web Comb- Wudai Mars Fire!" She said, then all of a sudden, the strings of fire went all around her and her whole body turned to a firey outline of Kimiko. She smiled and ran towards Omi. Omi's eyes widened. "Shroud of Shadow-" He was caught off. Kimiko punched him in the stomach and he was sent back to the floor. He looked at Kimiko. She smiled. "You see Omi, that's why you should never underestimate what a girl can do!" She said as she held her hand out, to help Omi up.

Omi got up and rubbed his stomach. "Ow, I now know, Kimiko, to never, ever underestimate a girl." He said. Kimiko smiled. "Now that's more like it." She said. "Kimiko, you may now choose a different Shen Gong Wu." Master Fung said. Kimiko nodded. "I choose the Juju Fly Trap." She said. Rai stood in front of her. "Ok Kim. Don't worry, I'll go easy on you." He said. Kimiko rolled her eyes. "Oh, just shut up and come on." They stood there, waiting for someone to make a move. Kimiko rolled her eyes. "Juju Fly Trap-Wudai Mars, Fire!" She yelled. Thousands of flies flew out of the Shen Gong Wu and turned on fire. They flew toward Rai. He smiled and jumped and grabbed onto a rail hanging from above. Kimiko's eyes widened. "Silk Spitter-Wudai Star Wind!" He yelled. Spider webs spilled out of the Shen Gong Wu and all of a sudden it disappeared. Kimiko's eyes widened as the string shot around her and reappeared. She rolled her eyes as she realized she lost. She threw the Juju Fly Trap on the floor and walked away. "Raimundo, would you like to choose a new Shen Gong Wu?" Master Fung asked. Raimundo shook his head. "No thanks. I'm good." He said. Jennifer stepped forward in front of Rai. "Well, Rai. Looks like it's

just me and you now." She said, smiling. Rai smiled back. "I wouldn't have it any other way." He said. Rai and Jen stood there, 12 feet apart with a sly smile on their face.

3 - Let's Settle It...

Everyone stared at the two as they stood there, smiling. "What are they smiling about?" Kimiko asked, confused. Clay shrugged his shoulders. "I have not one clue Kimiko. I'm guessing they're happy to be against each other." Kimiko made a confused face and shrugged her shoulders and looked over at Rai and Jen.

"Pick the Shen Gong Wu of your choice." Master Fung said. Rai shook his head. "No thanks, Master Fung. I can beat her without it." He said still smiling. Master Fung nodded. "As you wish. Jennifer, how about you?" Jennifer nodded. "Yes Master Fung. I would like the Kuzusu Atom please." Master Fung nodded. "As you wish." He handed Jennifer the Kuzusu Atom.

Rai and Jen stood there, their eyes stuck on each other. "Even with the Kuzusu Atom, you're still gonna lose little sis!" Rai said. Jennifer laughed. "Yeah ok big bro. We'll just see about that!" At that, they got into their fighting positions. Jennifer smiled.

"Wind!" Rai yelled. He put his hands down and flew up high in the air. Jennifer smiled and pointed the Kuzusu Atom up, past Rai. "Kuzusu Atom!" She yelled. Kimiko's eyes widened. "Oh no! What is she doing?!" She said, shocked.

The bolt from the Kuzusu Atom went right passed Rai. He lost balance and fell down. Jennifer laughed. "Are you crazy?! Are you trying to kill me?!" Rai yelled. "Nope." Jennifer said laughing. She ran up to him, her hand in a fist. Rai's eyes widened as he jumped up and dodged it. "You know sis, you gotta be quicker than that to beat me!"

Jennifer smiled. Rai did a backflip and landed on a pillar that stood tall. Jennifer laughed. "You know big bro you have to be smarter than that to beat me! Kuzusu Atom!" She said. Three bolts shot out of the Kuzusu Atom and made the pillar collapse. Rai stumbled and fell. Jennifer ran up to him and grabbed him by his neck. "See what I mean bro? You're not smart like me!" She punched him in the face and he flew into a wall. He moaned in pain and stood up.

"I'm not gonna let you win little sis!" Rai yelled as he ran towards Jennifer, his hands balled into tight fists. Jennifer jumped up and so did Rai. As they were in the air Rai threw his fist towards Jennifer. She grabbed his fist and smiled. She swung his arm and threw him behind her. He hit the ground hard. "Ugh, don't worry Jen. I'm only being easy on you." Rai said. Jennifer rolled her eyes. "Come on Rai! I don't wanna do this anymore. Just forfeit and lose." She said, staring deep into Rai's eyes.

"No way!" Rai yelled. He stood up angrily. His legs began to wobble and he tumbled to the ground. Everyone ran up to him. "Are you ok Rai?" Kimiko asked. Rai looked at them. Master Fung then walked up to them. "Raimundo. I think you have had enough. Everyone back into the temple." Everyone got up and walked to the temple. Jennifer helped Rai up. "Hey bro, I'm sorry." She said, trying to comfort him. Rai jerked his arm away. "Yeah, whatever. You just wanted me to look like an idiot in front of everyone." He said as he walked away. "No Rai. I..". Jennifer's voice trailed off. "Whatever Jen. I don't care. Just don't talk to me. Got it?" Jennifer watched as Rai walked away, and tears started rolling down her eyes.
