Chapter 1 - The One:

1 - The One:

The One

Confusion soars through their mind

Several different thoughts racing to make their impression.

Anxiety

Suspicion

Happiness

Sadness

Love

The greatest of these

Can create the rest of the emotions

Whichever you chose could be possible

Confusing to understand

Impossible to completely comprehend.

Visions of one person soar through their mind

Who they are

Their personal appearance

Their voice

Their personality

Their likes and dislikes.

Impossible to erase from the mind.

They will for now linger.

The longing intensifies with each day

Hour

Minute

Second

To see

To hear

To be near that person

Will they ever truly be a pair?

Will they forever remain apart?

Time will tell

But whenever that day comes

Will forever remain a mystery

To

Us

All.
