**Chapter 1 - Hopeless**

**2**

# 1 - Hopeless

## Hopeless

Shut the door and lock me in;

no one will knock anyway.

Even if by some chance they do;

what help will they be to me?

Emptiness fills my heart;

crushed, battered bruised and scared.

Does no one know how fragile;

this spirit can become.

Previous torment by life giver;

never to be cured, forever a disease.

Draining away my life;

my only source of being.

His visual presence is soothing;

his morals seemingly harmless.

I wish I could confess to him;

how much his presence has meaning.

My life now shattered;

all his harmless words.

Done the deed;

and shattered all my dreams

Now I sit alone;

constantly needing the love of another.

But will it ever come;

only time will tell.
