1 - The woods

Finally, the school bell rang at 3:15 pm. As always I go to Mrs. Gall's room to talk to my friend Jazi (boltbendergirl). Hi Mrs. Gall I'm coming in. No your not. (Mrs. Gall always has meetings) I go in anyway. Hi Jazi! Are you ready to go to your grandma's house? Yeah she said. Let's roll!!!!!!!!!!!!!! Once we got to her grandma's house. We watched T.V. Then we went into the woods in the backyard. The woods at night always were filled with murky mist. It was the night of the new moon. Ouch! Stupid thorn bush I said. Hey Natalie, Jazi said check this out. Huh?! Isn't this a pokeball Jazi added? Yeah it is I said. A cold wind suddenly blew west. A shadow figure appeared wit eyes glowing bright red and it was getting closer!!!!!!!!!!!!!!!!!!!!!!

2 - The Eggs

The creature with red eyes got closer and closer. A familiar cry came through the trees. It was visible now. Mightyena!!! We both said simultaneously. The Mightyena put one paw on the pokeballs and then took it off and ran. I think he wants us to follow him Jazi said.

So we did. We picked up the pokeballs and ran after it. Then we found the Mightyena standing next to a cave. We entered the cave followed by the Mightyena. Jazi, I'll light a fire so we can see I said. There were four eggs in a pile of straw and another pile of straw used as a bed. In the bed there was another Mightyena. The Mightyena walked toward the eggs and pushed one toward us and at the bottom of our shoes. We picked up the eggs and left. We'll be back in the morning

3 - They Hatch

Wake up Jazi!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Let's get ready. Ok said Jazi let's get going now. We got the eggs and started walking toward the cave. We found the Mightyena in the cave next to where we made the fire. We started another fire there and put the eggs next to a wall. The Mightyena walked out of the cave in search of food. We volunteered to help we must have got enough food for a week. We brought rocks in the cave to jump on and we needed a place to sit. We added straw to where the eggs were. We worked on the cave all day until it was dark. We were just about to leave. The eggs started to rumble and crack. Poochyena came out of the eggs. So we decided to stay there for the night. The Poochyena ran around the cave and rolled everywhere. They're soooooooooooooooooooooo cute Jazi said. I know I said. Let's spread their straw out because uhhhhhhhhh their bigger than the eggs yeah said Jazi. Sure I added. Later the Poochyena went to bed and so did we.

4 - Apom

Wake up Natalie. Hi Jazz. We get to keep the Poochyena. Sweet. Natalie, its Monday we have to go to school. So. Oh yeah good point said Jazz said. The Poochyena were still asleep. We waited for them to wake up so we can find new Pokemon. Finally they woke up. We stopped at Jazz's grandma`s house for bags and break fast. We left the Poochyena in the back yard. We took some snacks and money on the way out. We walked out to the cave and walked behind it. We ran about seven miles behind the cave and saw another cave about half a mile away. We walked to that cave and far in the cave was a opening. It's a tunnel I said on the other side was a monkey hanging from a tree. It wasn't a monkey it was Apom. Me and Jazz took out a Pokeball. Another one came down too. Poochyena use tackle Jazz said. Yeah you too Poochyena I said. The Poochyena knocked away half of the HP. Go Pokeball we both yelled. Yes, we caught it. Hey Natalie. Do you think that tunnel was a portal? I don't know but I think we should head back to the Mightyena cave and go to bed. We can wake up early and have more of a catching day. Good idea. I remember when my friends and I thought we saw Apom. Did you figure it out Jazz asked. No. it must had been something I said. We saw it; it had glowing red eyes and a figure like Apom. So we headed back to the Mightyena cave and went to bed.

5 - The Blizzard Starts

A cold wind blew in and out of the cave. That's what woke us up today. We could tell that a blizzard was going to happen soon. We went to gather fire wood for the blizzard. We started three fires and got more straw for the beds. We found tarp like stuff that we would use for the door. It's starting to snow Jazzi said. Apom both of you go gather food I commanded. The Apom headed off. We even made ourselves beds. Twenty minutes passed then the Apom came back with the food. Apom go get some water Jazzi said. The Apom came back with the water. We peered out the tarp door and saw a person coming toward us we stepped outside and the person stopped seventeen feet away. Are you a Pokemon trainer he asked? Yeah we are Jazzi said. Then let's have a two on two battle he said.

Go Poochyena Jazzi yelled! Go Apom I yelled! Go Meditite the person yelled! Go Kirlia the person yelled! Apom use double slap on Kirlia I commanded! Poochyena use bite on Meditite Jazzi commanded. Meditite use double chop on Apom. He commanded. Kirlia use confusion on Poochyena. Poochyena use bite and finish that Kirlia off. Apom use double slap and end this battle. My Pokemon. I guess you want to know why I'm here. Yeah exactly we both said. I'm a team psychic grunt. I'm here because I walked through this odd tunnel. How is that tunnel odd we asked? I couldn't see it. He said. That's weird we can see that tunnel just fine we said. It's just seven miles south of here. We said. Now get out of here moron! We yelled. We should head there in the morning. This blizzard is getting bad we said.
