Chapter 1 - Untitled

1 - Untitled

She sees him from across the street
a guy her age. He looks sad, lonely
and alone

Hello

Hello to the boy. Why are you alone?
So thin. She wants to save him from himself.

Floats. Floating down the sea
Of despair. Absolution is far from here
take her hand, take it one step at a time

Hello

Red flash of fear. She reaches for his hand.

Miles away. Skin and bone. Blue flash.

Why wont he listen? Like everytime.

It's not what he dreamed.

His eyes tell the truth. Alone.

Hello

Save yourself. All skin and bone.

Just nothing. No home.

Touch my lips. He tastes the love.

Hello

Body heat rushes. Spills down the curb.

Shadows of men. Exposure. Pour out your heart.

Blue, Just blue Disconnection.

Hello

Cold, grey, open stare. Glint of happiness.

Joints alive. Dancing with love.

Lifted forever now. Shadows of men, no more.

Hello

She sees him across the street a guy her age.

He looks sad, lonely, and alone

Hello
