Play Dead. (SnapeXDraco~ HP drabble)[br]

I'm so sorry. I cannot unlock your chains or mine. I don't have the key. *And even if I did, I couldn't turn it in the lock with all my fingers broken.* [br]

[br]

I'm so sorry. I cannot help you with your questions. I don't have the answers. *And even if I did, I couldn't bear to tell you the truth.*[br]

[br]

I'm so sorry. I cannot make your daemons go away. *You're too much of a beautiful angel for them to leave you be.*[br]

[br]

Your situation is something I can only describe as helpless. They all ask if you're ok. You don't answer. *You're trying to remember that you have to breathe.*[br]

[br]

Hurts.[br]

[br]

Its hurts. To think. To talk. To live like this. I wish I could take your pain away. I wish it so much I find it hard to keep my face neutral. *When they do it.*[br]

[br]

I resist the urge to turn away. I must. *For your sake and my own.* [br]

To hear you scream the way you do. *It kills me.* [br]

[br]

To see you suffer seems to be a sin itself. And I beg that you don't look at me with your pain-filled eyes. *I know that look.* [br]

[br]

But you know as well as I do. I cannot help you. *As much as I wish to.* [br]

[br]

And those times when they find you limp and seemingly lifeless.[br]

[br]

I scream inside my head for you to wake up. *And you do every time.*[br]

[br]

And every time, I'm filled with relief. *And Regret.* [br]

[br]

I want to stop your pain. [br]

[br]

I want to stop your sadness.[br]

[br]

I want you to stop living, my love. [br]

[br]

But you must promise me. Promise me that you'll never die. [br]

Ok to be honest, even I don't know what's actually going on here ^^;; Basically, Draco is being held captive by random paedophiles (You can think of them of death eaters if desired, or if you're one of them pervy people who like incest, that Lucious is also part of that group D:) and Snape is being somewhat forced to, not take part exactly, but kinda just stand there and watch and be part of that group; as Snape knows if he says a word or reacts then they will all know that he in fact actually cares about Draco, which will result in both of them probably dying ^^ Obviously, Snape is in love with Draco, therefore this drabble is from his point of view, and how bad he feels about having to let his Draco suffer and not be able to do anything about it . I know, I should' a made this into a proper fic but I couldn't be bothered and the sudden inspiration meant it came out in drabble form :3[br]
