# 1 - lost

## FEELINGS

DISCLAIMER- I do NOT own any part of shinzo so do NOT sue me.

By Sora, THIS IS MY FIRST FIC SO I HOPE YOU LIKE IT. SHINZO RULES!

An: the story is like in the same time line. This story begins from the end of the show.(mushra is now 17.)

Oh yeah this means some one is thinking.

p.s -mushra now looks like when he goes to hyper mode.

Say you love me

Say that you cry

Say that I'm the only one you hide

Say that when I'm down you'll be there

Say that when my heart is yours you wont let it tear

I LOST YOU.....1

Mushra sat on his bed and cried. He knew that he would never forget her. The one he loved and cared for. He never stopped thinking of her. "It is my entire fault," he said over and over again.

## FLASH BACK

"Mushra help me"!

"no Yakumo"! yelled mushra.

Mushrambo grabbed yakumo and cut her neck slowly as it got deeper and deeper.

"How does it feel pitiful entaren, to see you beloved human die.hahahaha "

"wait please "mushra I want you to know that from the first day I me you I feel in love.

and that ill never forget you ,you were the best friend I ever had" cried yakumo.

" ooooww how sad this human cares for you.....o well"

"Ya..ku..mo"

END OF FLASH BACK

It has been 3 years when I watched helplessly as you died in front of my very eyes and saw you cry. Your beautiful eyes stained by tears of sadness and woe.

I couldn't do anything because I couldn't move I was paralyzed like if I just saw the girl from the ring. and as I saw sago and kotal die I wished I could have died to.

So im alone here and watching the days go by slowly in my little room.

Three days a week, I work at a newspaper company. Then I come home eat and go to sleep. Each time I sleep, I have nightmares of yakumo in my arms died. The only friend I have is my property owner that I only see one day a week. It has been clear to me that I have no life.

"Why cant I forget you I don't what to feel this

Way"! screamed mushra

3.00 Am ~~~~~

"Mushra help we need help" said a strange voice as it got deeper every second.

"What is it" yelled mushra "im sleepen here".

"Wait, wait a minute" he stuttered "Is it you, it can't be it's .....

Hope you

liked it. And if you have any thing to say ,say it please (or Wright it what ever.)! if I get one review I will add another chapter.

CHAPTER 3.....Along The Way

this means thinking.

“soooooooooo sago when you said yakumo needed me, what did you mean?”

questioned mushra when they were entering the time warp.

“Ha ha ha ha wouldn't you want to know mushra” said sago acting like a know it all.

Mushra blushed.

“I was just curios that's all” nagged mushra

But sago wasn't a bit fooled.

“We've been in this thing for like hours are we there yet?” screamed mushra

“We will be there about..... Now”

As the two exited the warp mushra noticed that the future looked different. It

was full of weird plants and things. But He soon forgot about that and thought

about yakumo. He couldn't wait until he saw yakumo. He wondered about how she

would look and how she would react to see hem.

“hey sago you didn't answer my question WERE ARE WE GOIN.”

“Temper temper, mushra I see someone's cranky, any way were going to west

shinzo just like old times”. said sago

“what do you.. BBBBBBBBBBBBBBBBOOOOOOOOOOOOMMMMMMMM

Suddenly a big creature popped out of no where.

“WOW it is a syper worm ,the biggest one I ‘v ever seen ..... It’s goin down”

screamed mushra.

A/N- a syper worm is a big worm that’s green, it has 7 tentacles , a shell ,and lion teeth. (imagine how ugly).

Mushra charged at it with all his might and stabbed it in the head it did a loud scream and hit mushra with his tale .Then mushra got up and slashed it 5 times and it fell. “wow that was easy“. but mushra spoke to soon, the worm blow up and a green-like snot splattered all over mushra.”great”said mushra.

“good job mushra but next time do not make such a mess” complained sago.

As they walked along there journey some thing horrible happened....mushra was Hungry. grumble grumble grumble

“huh, what was that.” questioned sago

“Ohhhh that, that was my stomach, im hungry.”

“I guess we could stop and eat” said sago

As mushra and sago went to get apples from a tree near by they notice a boy about mushras age. “what ya doin with my tree eh.”

“huh who are you?” asked mushra

A/N soooo that is it .....yep any ways I get one review you get one chapter.

"whacha a doin with my apples huh". said a boy about mushras age

"huh, who the heck are you" muchra said

"im haku not that that its any of your business baka "haku said with a grin

Haku slowly walked to thom in a cool manner, he was tall and had black wavy hair like a mixture of yugioh and sasukes hair, he had a tight red shirt that looked like armor with a weird sigh on it that looked like it was to small for him (that's just his style), he also had loose blue jeans .

"ggrrrrrrrr shut up" mushra screamed

"so who are you two" haku spoke as he calmed down from anger

"hi im sago and this loud mouth idiot is mushra" sago spoke

"uhhh ok, so what are you doing walking in this rocky road" haku asked

"mushra SHUT UP, stop acting like a baby come on your 16, any ways we need all the help we can get , its gonna be a long way till we get their"

"uhhhh fine what ever" mushra said. He stared at haku he was taller then him and looked like he was 18, it seemed like it was going to be a long way to shinzo.

"hey mushra" haku screamed

"what !!!"mushra screamed back

"take a picture it will last longer baka" haku laughed

"uhhhh shut up!!!!" mushra screamed, he was really getting tiered of him

“so where do you live” sago spoke

“uhhh in that house, I live alone, my parents died when I was 5 and iv had to take care of my self all these years” haku said with a sad expression

“but there’s a lot of people in this village, why didn’t they take you in” sago ask

Haku looked at the ground, he looked like he was about to cry, but he held it all in a made a lie.

“well these people are very old here and they couldn’t” he spoke

“hey it that a tear”mushra grinned

“ummm no no , anyways your just saying that cause your just jealous” haku spoke

“huh of what” mushra said back

“oh my charming good looks” he laughed

“grrrrr idiot”

“baka” haku said before starting a fight

“hey stop that uhhhh you two are total uraomotes(opposites)” sago sighed ‘well at least we found another member to help us but I cant say its for the best, but I know that there going to be good friends, I can see it in there eyes. hmmm don’t worry yakumo were gona get you soon I promise’.

So the three began on their journey, and at this point they were far from hakus village and near some town called the town of grove (just a random name, im not that creative today) "uhhh we've been walkin for hours when are we gonna rest" mushra said as he broke the silence of the group. "yeah for once I agree with the baka" haru spoke as he let out a sigh. "fine, fine lets go to that house it looks like....." by the time sago was gonna finish his sentence mushra and haru were all ready at the door. "man you guys are fast" sago said as he knocked on the door. "hello, who is there" spoke a women who slowly opened the door. she was about 28 years old tall and was wearing a long dress that old people were witch made her look, well old, but she was not ugly, she had green eyes and dark black hair. "how may I help you three" she said as she looked at them. "hello miss we were all traveling in this road and were wondering if you could ,maybe let us stay here for a while. "sure, sure come in I welcome all, even men as hansom as you'll" she said with a sweet smile, that kind of made sago blush. "thanks" they all said as they walked in her house. "would you like some food" she said. "yes" they all said, but one boy louder then all of them and of course it was mushra. "sorry miss but were are my manners, I forgot to introduce my self, I am sago and the pink hair kid is mushra, and this kid to the left of me is haku, what is yours." sago said as he took her hand and bowed down then gave a sweet smile.(a/n- awww how cute \*sigh\*.) "well hello im a fortune teller and my name is destiny" she spoke with a face that said believe it! "go figure" mushra said

as he continued munching down his food. "so do any of you want a fortune told" she asked. "not me I don't believe in that it's all a bunch of lies, I mean it's your fate, you shouldn't be told what your future is, because you can change it at any time" haku said with a board face like kakashi (a/n- yeah know from naruto) "well it all depends if you believe it or not" she spoke "well uhhh \*sigh\* what ever." haku replied. "HA HA you got served haku" mushra laughed "shut up" haku said as he slapped him in the head. "how about you, sago?" destiny said as she walked over to him. "ummm sure I'll do it" he said as he followed her to a dark room. "so sago how old are you" she said. "well im 25" he said with some redness on his cheeks. "oh wow, you're a very good guy sago, I bet a lot of girls are after you" she said as she was starting to blush. "well ummm I guess". sago said back, as red as a tomato. As she walked to the room sago noticed it had a fire in the middle. It was full of pillows and it had a color of red. "now sago are you sure you want to know your fate." destiny asked. "yes" he said as she started to make the fire grow.

A/N-well that's it yup, uhh im so bored right now, anyways one comment one chapter, hmmm how bout I give you all a preview for the next one.
