1 - porkywhat?

Inuyasha and Kagome

By siesie137

Inuyasha! cried Kagome.

What? he snapped.

It s time for breakfast, Kagome said as she glanced at Inuyasha who was perched in a very high tree.

It s only been a few months and yet he still seems to hate me, thought Kagome.

Inuyasha jumped down and almost squished Shippo.

Hey! Shippo yelled. But Inuyasha ignored him. Then sat down and started to eat the scrambled eggs that Kagome had prepared.

Where s Sango and Miroku? He asked.

Sango s bathing in the stream, Kagome pointed, and I guess Miroku followed her& again.

Pervert, Inuyasha and Shippo muttered.

Then suddenly they heard a scream and a slap.

Yep, Kagome said, He followed her again.

Sango walked toward them (in her clothes) looking very flushed.

Pervert, she muttered under her breath.

Then came Miroku who had a very red hand mark on his face.

Can t you two get along? asked Shippo.

Miroku and Sango looked at each other.

I would be able to if he would stop trying to look at me while I was naked! said Sango.

I can t help that your beauty is so captivating, Miroku said with a twinkle in his eye. If only you would share the same feelings that I have about you.

Not in this lifetime buster!

Oh so in the next lifetime then?

NO!

Sango sat down and started to eat her eggs, and Miroku did too. After everyone was full, they packed up their things and started walking. With Inuyasha and Kagome leading.

After a couple of hours they took a break and rested next to the nearest stream. Miroku, Inuyasha, and Shippo did nature s calling while Kagome and Sango filled up their water supply.

Suddenly a loud yelp grabbed their attention. And Inuyasha came out from behind a couple of trees with a thorn stuck in his foot.

Oww! he cried, Owwww!

What did you do? asked Sango.

A stupid porkipine crawled right in front of me while I was walking!

That s what you get for going around barefoot Inuyasha, said Kagome.

He gave her a hard look then limped over to the nearest big rock. He sat down while Kagome fetched her first aid box. Sango took a look at the thorn then yanked it out.

Aargg! said Inuyasha.

While Sango looked at the thorn, Kagome put a bandage around Inuyasha s foot.

Wait a minute& said Sango.

What is it? asked Kagome.

Look at this.

Kagome inspected the thorn and saw that it was dripping with a green slim.

Hey Inuyasha can you take us to where you saw that porkypine? asked Sango.

Sure, he grumbled, but don't expect me to step on it again.

They walked to a little clearing and Inuyasha pointed.

That's it, he said.

There was indeed an animal, but it was not a porkypine.

Oh no! cried Sango.

What? asked Kagome and Inuyasha.

That's no porkypine. It's an emotion porkylostous! she said her voice rising.

Huh? asked Inuyasha.

When you get one of its thorns into your skin it releases a venom that causes your love emotion to go out of control.

So?

So, that means whoever you love is going to be getting a lot of attention from you.

What? asked Inuyasha, So I'm going to be going after Kikyo?

Whoever you love. Sango repeated.

Hmmm. said Inuyasha.

I hope he doesn't go too crazy, thought Kagome.

They all turned around and went back to camp, where Miroku and Shippo were sitting.

What happened? Where did you go? asked Shippo.

Sango explained what had happened.

Woah, said Miroku, Aren't you glad I didn't step on it Sango?

Sango took her boomerang and hit him in the head with it.

Yes, she said simply.

Well I'm not glad, said Inuyasha, How am I supposed to flirt with Kikyo when I don't even know where she is?

No one said anything.

Then Shippo yawned and said, I'm hungry can we have dinner now?

Sure, everyone said.

Inuyasha and Miroku fetched firewood while Sango and Kilala went to catch fish. Kagome and Shippo set up camp for the night.

Later a fire was blazing and everyone was warm. They ate their fish in silence. Until Kilala yawned, curled up into a circle, and fell asleep. Everyone else followed suit.

The snapping of twigs made Kagome sit up. She rubbed her eyes and looked around only to see blackness. The fire embers were faintly glowing and made her tired again, so she laid back down. Then something stepped on her foot.

Ow! she yelped only to be silenced by Inuyasha's hand. He put his finger over his lips to show that she should be very quiet. Kagome nodded and wondered why Inuyasha woke her up in the first place.

Inuyasha, with his hand still over her mouth, whispered to Kagome, Follow me.

He removed his hand and started to walk toward the stream. Kagome sat still for a moment then silently followed him making sure not to wake anyone up.

This had better be important, thought Kagome, or else I'm going back to bed.

She came up to the stream and looked around, not seeing Inuyasha.

Maybe I imagined it she thought, but then saw Inuyasha come out of the shadows of the trees.

This way, he whispered.
Then took off walking again, with Kagome right behind him.
Suddenly he stopped and turned around. They were cocooned in the darkness of the trees. Inuyasha, thought Kagome.
He walked toward her very slowly, his eyes focused only on her.
Umm, said Kagome.
I lied,
Huh?
Kikyo isn't who I love, it's you.
Gaaaaaaaaaaaaaaaaahhh! thought Kagome, it's true!
Is it ok? asked Inuyasha eyes wide.
Well&
What am I supposed to say, thought Kagome, I love him too but is it me he truly loves or is it that porkything that made him love me?
Can I kiss you?
Inuyasha's eyes were open, and scared that she would say no.
Yes& Kagome answered.
Inuyasha leaned in and kissed her lightly, teasingly. Then pulled back. Then leaned in for another. They kissed, each one longer and more loving than the last. Then Inuyasha stopped and took Kagome's hand, together they walked back to camp.

The next day Inuyasha acted as if nothing had happened. Kagome made breakfast then pulled Sango over for a private conversation.

Sango, how long does the porkything's venom last?
Only a day, don't worry Inuyasha's back to normal.
Back to normal, thought Kagome, great, now I'll never know if he really meant what he said about last night.
Once everyone was full, they packed up and started walking. With Inuyasha and Kagome leading, only this time Inuyasha held Kagome's hand.
huh, thought Kagome, this is new.
Miroku noticed this and tried to reach for Sango's hand. Sango pulled back her hand and hit him in the head with her boomerang. Miroku looked hurt and ran up ahead to join Kagome and Inuyasha. Shippo rolled his eyes when he saw Miroku's hurt head.
Everyone made camp for the night. Ate. Then went to bed.
I wonder if Inuyasha will see me tonight too, thought Kagome before she went to sleep.

2 - the love continues...

Inuyasha did come for her, but not when she expected. Kagome felt a light shove on her shoulder, and woke to find Inuyasha looking at her intently. Kagome blushed and sat up. She shimmied out of her sleeping bag and followed Inuyasha to a different clearing.

Kagome, Inuyasha breathed. He leaned down to kiss her but she put her hand over his mouth to stop him.

Can we tell everyone tomorrow, about us? Kagome asked.

Do you want to? Inuyasha whispered.

Yes, she said just as quietly.

Ok then, tomorrow

Then Inuyasha brushed Kagome's hand away and kissed her senseless. A little while later they went back to camp, where Inuyasha made sure Kagome was nice and snug in her sleeping bag.

I'm glad he didn't step on my foot this time, thought Kagome as she yawned.

The next morning Kagome was the first up, so she made a nice breakfast of eggs, bacon, fish, and toast. The smell woke up everyone. Right around when everyone was getting second helpings was when Inuyasha spoke up.

cough cough Umm, everyone, Inuyasha began. Me and Kagome want to tell you something.

Inuyasha looked at Kagome for some support.

We're together, as a couple, she said.

Everyone was silent. Finally Miroku spoke up.

Well it's about time! he said.

Inuyasha and Kagome looked stunned.

Seriously, said Sango, you guys should have gotten together a really long time ago.

You shouldn't be talking Sango, said Shippo, You and Miroku should get together too!

Sango glared at Shippo with laser eyes, while Miroku looked at Sango with love.
