1 - e-mail

In Beyblade New Generation, Kai grew up into a very...ahem...powerful...uh, let's just say he's rich....a businessman....okay....(he's married now...)

He wasn't really happy at all, I meant he hasn't defeated Tyson yet...(oh darn!).

Anyway...While Kai was working in his office...he received an e-mail...

Kai : What the frack is this crap? (Thinking: hope it's from Kim...) *opens the e-mail*

His face enlightens with joy as he saw who it was from

And it said...

Hi hon! It's me Kimmie, I know that it's humiliating for a grown woman to use a kiddy name, but hey, I can't help it...hope ya forgive for...um...screwing up on our wedding. It was a really bad idea to hold it in a gazebo near a playground, I couldn't help it...so I...you got the picture...

Anyways, how's Gou doing? Is he doing his homework, using clean underwear everyday, studying...well, how 'bout you, you okay there?...cause I'm going to go THERE if you're not...like screwing up with somebody else...I'm gonna bring a rolling pin Mr.!

Okay, here's the main deal about this e-mail...ya see, our little daughter here kind of learned how to sing our friendship song when we were kids and she even wrote lyrics and I recorded her singing, she's a great singer...just like me hehe! The recorded stuff is at the attachment...open it whenever you want to hear it okay, here's the lyrics

You're my honeybun
Sugarpuff – yupi-upi-upkin (pumpkin)
You're my sweetiepie
You're cuppycake (cupcake)
Gumdrops
Swukums, swukums
You're the apple of my eye...

Kai starts to play the recording...

Kai : *sigh* sure miss you two...(then he replied to the message)

> hey, I forgive you, besides you were so cute back then playing on the slide and seesaw wearing your gown...Thea's singing's nice, just like yours, I really miss you both, don't forget to bring extra beyblade parts the next time you visit, Gou needs some new ones. love ya...

2 - School Starts

Days later after receiving the e-mail, the school year's about to start...

Gou: That litter box breath? No way! She looks like some alley cat from downtown...huff!

Kai: Stop denying it...hey; don't act like me when I was at your age...

Thea: It's um, because of...

Kim: Thea, you're smart, pretty, talented and wittily clever...what's so embarrassing is it about you being only 7 and already in fourth grade? You should be proud of yourself.

Thea: (sigh...) what if I don't get along...what if I won't be able to relate, what if...

Kim: what if you start listening to me, you'll get along, your brother's going to be there.

Thea: really, really truly?

Kim: Really Truly Hon bun (parks)...now go and get there and top all those subjects!

Thea: Of course...(steps out of the car)

Kim: Yeah, that's my girl now lets go see your principal...(steps out of the car)

Mrs. Rankin: (pops out of nowhere!) Surprise!!! Scared ya huh?

Kim: Mrs. Rankin....

Mrs. Rankin: Aww...is this little Thea? Oh, you have grown up little lady, ready to tackle on those fourth graders at a young age?

Thea: Ready as ever ma'am...

Mrs. Rankin: Now that's what I like about you, you have your father's wit and your mom's heart...

Kim: How sentimental...gee thanks...how's Gou doing?

Mrs. Rankin: Oh haha! That boy's all over the place! He's so active! He also has great grades...I'm sure he'll protect little Thea here...

Kim: In short, he's been good?

Mrs. Rankin: O yes, very good.

Kim: Then I guess there's nothing to worry about. Now then, about Thea's class...

Mrs. Rankin: O I already had taken care of it; she's with her brother...

Thea: So am I really going to see Gou? It's been a long time...

Kim: Sure you will honey cakes, now where's the classroom?

Mrs. Rankin: It's at the third floor near the computer lab.

Kim: Thanks again Mrs. Rankin, bye...

Mrs. Rankin: Oh, before I forget, Kim, you had already grown up...you have such a wondrous family

Kim: yeah, thanks...I owe my kids' education from you so thanks...

Mrs. Rankin: it's no big deal, they're topping all the subjects anyway, and it's a privilege having them here...it's an honor

4 - Classroom Chaos

Chapter 4 : Classroom Chaos

~8:00 a.m. @ the classroom

Mrs. Lea : class, settle down now! We have a new classmate, she's accelerated from second grade, and I hope you'll be nice.

Maela: (whispers to seatmate Jullie) oh great, another brainiac...

Jullie: well, she's only a kid, she's no threat

Maela: what if Gou finds her interesting?

Jullie: Gou? 7 year old girl? What are you thinking? That would be impossible! Unless Gou likes younger people...

Mrs. Lea: Now then class, meet your little friend Theatriz Marie Hiwatari...come in muffin cake...

Maela: she's a Hiwatari? Shoot...I guess problem solved.

Thea: I'm shy mom...

Kim: Go on, don't be such a sap...

Gou: mom? Thea?

Kim: Hey looky! Your brother's there, no go...don't worry...

Jullie: Oh gosh Maela, that's, that's Kim Ivanov right?

Maela: You mean the most popular girl here at our school during our parents' time?

Jullie: Legend says that she'd been a singing sensation back then, and she's our current top model and director of a top modeling company!

Maela: Oh shoot! And rumor has it that she's married with Kai Hiwatari...

Jullie: well that's no rumor, that's true...she's Gou's mom, no doubt about it...

Kim: girls? What are you talking about? Mind if I butt in?

Jullie: Oh gosh, you're more beautiful up close and personal....

Kim: well thanks, here's my daughter Thea, I hope you'll be friends

Thea: Hi...

Kim: And Gou (Looks straight at him) make sure Thea's under you're control, remember you're older, you're in charge...okay?

Gou: yes ma'am...

Mrs. Lea: well I guess that's settled, now little Thea, go sit beside your brother

Thea: Yes ma'am...(sits down)

Gou: Hi...

Thea: hi...

Gou: Haven't seen you lately...how are you both doing?

Thea: we're fine

Gou: how about you're colic?

Thea: I'd out-grown it...I'm fine thanks...

Gou: (Whispers) hey, ever thought of how to cancel out mom and dad's divorce contract?

Thea: No, none yet, I hate it when they're far apart...

Gou: Don't worry we'll think of something, but for now since no teachers today...

Thea: hm...I think I know what you mean...

Jake: Classroom chaos everybody!!!

(Now classroom chaos...everybody threw some paper balls, danced around, goofed around, threw some stuff, played music at top volume, drew some on the chalkboard and most of all those who brought pillows go in for a pillow fight!!!) << that's what we do when the teachers' gone... Everything seems to be like some crazy party or something, but Gou and Thea just behaved and sit there talking to eachother and plotting on how to get their mom and dad together again...

you guys have any suggestion plots? Comments pls...

to be continued....

5 - Mission Impossible

Chapter 5: Mission Impossible...

During lunch Gou and Thea sit by each other's side, and thankfully they came up with cunning yet fun but a mission impossible kind of type of a plan that may bring their parents together again....what could this plan be?

Gou: Lakeshore picnic!

Thea: Theme Park!

Gou: Zoo!

Thea: Carnival!

Gou: Road Trip!

Thea: Arcade....ok! Road Trip!

Gou: say what?

Thea: At least we'll be a complete family for at least 2 days...

Gou: Not a bad idea, hey since no classes these next days because of some problems...

Thea: Then we'll have the rest of the week and even the weekends!!!

Gou: all right!!! This road trip's gonna be sweet!!!

Thea: So sweet that we may have a little brother or sister!!!

Gou: Huff!!! Dad said that they only planned two kids and that's all...

Thea: Well that's a bummer, oh well...it's a lot more fun without a helpless baby who can't relate to us...heee heee....

Gou: Hey (looks at Thea's lunch) , are you going to eat that?

Thea: Hey, no bright ideas, mom made that especially for me...

Gou: Oh....I miss mom and her home cooking, oh come'on Thea, just one bite....please! Mom used to make me those too!!!

Thea: Kidding, you have one too here!

Gou: so mom thought of me, (crying...)she even bothered to make me one!!!

Thea: Brother, you're embarrassing me...don't be such a sap...

Gou: hey, I know, I'm not the only one....

Thea: (whispers to her side...) mama's boy....

Gou: What was that dear sister?

Thea: What I said is, when are we going to do it?

Gou: The best date would be at their anniversary this Wednesday!

Thea: Fantastic! We have at least 2 days to prepare and set them up!!!

Well that's another chappie! Please comment!

6 - Plan Application

Chapter 6: Plot Application

~Let's start @ Kai's House...

Gou: Hey, um dad...

Kai: what...

Gou: ever thought about your anniversary?

Kai: Yeah, why?

Gou: ever thought about going on a road trip?

Kai: I'm not the adventurous type...

Gou: I mean like a family outing? Ain't that great?

Kai: Oh sure if you like deer hunting...

Gou: Pa, we don't promote violence...

Kai: Then why is this damn story rated with mild violence anyway?

Gou: Dad, let's just stick to the road trip question...

Kai: If this is one of your plans to get me another wife, you're dead, cause you know how much I love and stay loyal to your mom...

Gou: What I mean of a family trip is me, you, ma and Thea, what do you think?

Kai: (sigh...) fine, as long as you both did your schoolwork before any road trip...

Gou: Yeah sure, we did them already...

Kai: Then fine...

~Now @ Kim's house

Thea: Mom

Thea: Ever thought about a nice road trip for your anniversary?

Kim: Hmm...why not? I love seeing bunnies and deers all the time...why not...

Thea: So it's okay?

Kim: Yeah sure why not, I'm dying here! My employees are so demanding, lazy and above all BOSSY! They're not supposed to boss me around, right?

Thea: Mom, you're the boss, fire them if you don't like them!

Kim: wouldn't that be harsh?

Thea: Hey you're the boss, not me...now about the road trip...

Kim: Oh all right fine! But you guys better do your homework, studied and did your extra curricular projects...

Thea: oh sure, consider it done.

Kim: You're a smart mouth for a 7 year old...sorry dear, now what kind of snacks you want?
