1 - The Call

The TRUE Friend who called

It was a dark gloomy day
In my bed silently I lay
I think of happy things
But the thought of sadness suddenly rings
I was really lonely
And from schoolwork, I'm so weary...
From the bed, I got up
Trying to avoid the ache of a drop
At the hallway I slowly walked
I needed the phone, I needed to talk
I dialed the numbers hoping that she would answer

...

Things just went on and by
I told her all the truth, none was a lie
Then I found out that she felt the same
All those problems droved her insane
I thought I was the only one
The problems we shared are only one
We felt so out of place and longed for each other
Our new friends called us a bother
We both cried at the same time
Cause being friends forever isn't a crime.
We agreed on meeting some day after exams
We would go and take care of lambs
And that's how we connect, true friends are we
I'm so blessed to have her and she's blessed to have me...
