2 - The Confusing Beginning

We join our hero in the Unova region with friends Iris and Cilan. Ash has just won his seventh badge, the Freeze Badge. "Look out!" shouted a familiar voice. "Out of the way!" shouted a different one. All they could see was a huge dust cloud until it finally got close enough to where they could see four weird-looking people. They all got out of the way just to find themselves underneath Bianca. "No time to stay!" yelled Bianca while she jumped up. "Must save Munny!" She was running off like she'd never been on top of them.

A few minutes later...

"What was that all about?" asked Iris. "Beats me," said Ash. "Well," said Cilan, "she said 'Munny'. Maybe she was referring to a Munna." "Maybe," said Iris. Well whatever she was talking about," said Ash, "it must have to do with those people." "Right," agreed Iris and Cilan. "Do you think we should go after them?" asked Iris. "I mean, if her Pokemon was stolen, we should go help her." "Iris is right," said Cilan, "Bianca acted very worried, like she'd been chasing them for miles." "Excuse me," someone interrupted. "I thought I overheard you talking about Bianca and a stolen Pokemon." "You know Bianca?" asked Iris. "Yes," she answered. "Me Bianca and a young man named Cheren started our journey together. Now if you're chasing Bianca," she said differently, "I suggest that we join you." "We?" asked Ash. "CHEREN! GET OUT HERE! WE'RE GOING ON A HUNT FOR BIANCA WITH OR WITHOUT YOU!"
