<b>Chapter 1 - fighting again</b>	<b>2</b>
<b>Chapter 2 - scoldings</b>	<b>4</b>

## **1 - fighting again**

**TYSON! HOW DARE YOU TAKE A BREAK WITHOUT ASKING! GET THAT STUPID @\$\$ OVER HEAR AND FINISH THE LAPS!**

**YEAH SURE, AFTER THAT DOES LITTLE MISS PRINCESS WANT HER SHOE POLISHED?&..**

Ray max and Kenny sighed as they watched their two friends fly at each other throats. Under normal circumstances they would be in between the two trying to pacify the two enraged teens, but kai had practically driven into the ground with the day s training so all they could do was sit and watch as the fight went from bad to worse.

**YOU KNOW YOU CAN BE SO STUPID SOMETIMES TYSON! DON T YOU REALISE THAT YOU HAVE TO TRAIN HARDER AS THE CHAMPIONSHIPS ARE COMING CLOSER?**

**YEAH RIGHT! I M IN EXELLENT CONDITION AND BESIDES IT S NONE OF YOUR BUSINESS!**

**JEEZ TYSON, I M JUST TRYING TO HELP !**

**OH YEAH! WELL, THE BEST WAY YOU CAN HELP US IS BYPACKING YOU RE BAGS AND LEAVING RIGHT NOW! WE DON T NEED YOU ANYWAY!**

Suddenly everything went deathly quiet. Even the wind seemed to grow colder and start to blow harder shaking the trees and rustling their leaves. Everyone was looking at hilary. You could see she was holding back the salty tears threatening to spill any moment.

Hilary struggled as she tried to think of a suitable comeback. Finally with a quiet sob she turned tail and fled from the dojo ignoring the pleading calls of her team mates.

**I know , I know. I bet you ve read this start about a thousand times already. But hey! In my opinion no ty/hil is complete without the dramatics. Oh, and by the way for all those who think this is on romance, think again!**

**p.s: comments are very much welcome! Until I update again, see ya!**

## 2 - scoldings

Rain pelted down outside the dojo, but no one felt the cold inside the dojo as they sat down for dinner, even though a certain boy should have been shivering from the icy looks he was receiving from his teammates.(excluding kai of course. He just standing by the wall, minding his own business&.) Said blunette was currently stuffing his face with ramen, completely oblivious to his friend s glares.

you know Tyson, you really shouldn t have said that to her Kenny ventured quietly after sometime.

ed ot ? (Translation: said what)

You know, telling her to leave like that , ray replied shooting him a look rivaled only by kai.

Hey! She was shouting at me too! And besides, its not like she took it seriously!

Yeah sure, that s why she left without a word isn t it.

That s nothing. She ll come back right as rain tomorrow, no need to worry

Suddenly kai got of the wall and started walking towards the door.

Even if she does come back after what you said to her, which I doubt, that doesn t give you the right to say those things to her. You d better say sorry to her whether she shows up tomorrow or not.

And if I don't?

Kai offered him a smirk before sliding the wooden panel shut.

In that case I'll personally make sure you do a 100 extra laps for an entire month.

\*\*\*\*\*

thunder and lightning roared and flashed outside Tyson's window to such an extent even *he* couldn't get to sleep, not to mention a certain brunette he had brutally insulted. Even if Tyson wouldn't admit it he felt guilty for saying those things to his friend, even though he *did* feel that Hilary was more like a cheerleader than an asset to the team.

Suddenly there was a muffled thump that made Tyson bolt up from his sleeping posture on the bed. Thieves, burglars?

ouch! I told you to dispartate taking your time but nooo you did it as fast as you could and see where you ended up?

okay! Okay! I'm sorry!

A short sniff was heard.

now will you get off me! I can't breathe!

sorry.

Ooooooh cliffy! Waddaya think? I don't feel I ended it properly, but I wanted to make it a bit longer

than the last chap and I really felt like saving the surprise night visitor/s for later.

Comments are 100% welcome!

See ya later!
