*I am writting this as a friend of mine isn't sure if her boyfriend cares about her as much as she cares about him.*

**Chapter 1 - Caring**

# 1 - Caring

I love you from the bottom of my heart.

Caring

By Sophie Reznjak

I believe you are the one for me.

I believe that I will end up spending the rest of my life with you.

HOwever, how do u feel?

What do you believe?

I never hear any feedback from you.

I wonder what you feel.

But you are a guy.

Guys don't share emotions and feelings.

That's just untrue.

You need to tell me truely how you feel.

From the bottom of your heart.

I speak to you on the phone.

A friend calls and you make me wait.

Then I end up hanging up.

Are your friends more important?

Are they more special to you than I am?

I refuse to make you choose.

However, I just demand one thing from you.

Tell me how you feel about me.

Tell me what you want from me.

Tell me what you expect from this relationship.

Tell me the truth.

Not lies.

Never any lies come from your sweet lips.

Or hopefully, never to me.

You are too special to me for me to believe you could lie.

But I may be wrong.

Please confirm my feelings.

Please tell me what you feel.
