**Chapter 1 - team hedgehog**

**2**

## 1 - team hedgehog

Sol the hedgehog: male: speed, leader. he is a little faster than Sonic and Shadow, but is as smart as Tails. he can go up to hyper form. Drift the hedgehog: male: power, fighter, bodyguard. not as fast as Sol but is really strong. in super and hyper forms he gets claws that can destroy whatever he wants. if he gets negatively emotional he goes into dark mode. he destroys, but will not kill innocents. Eri the hedgehog: female: fly, second in command. almost as fast as Sol. can fly with her light and dark wings. currently unknown if she has a hyper form. they make up Team Hedgehog! they are bounty hunters. so tell me what you think ok! or i'll set dark drift on you. or Amy.
