1 - Life of Love and Confusion(Jordan And Kira Story)

In the dark, a shadowy figure moves quickly. The figure is armed with sharp teeth and deep lifeless eyes. The moon light shines upon a beautiful girl. With no time to waste, she runs into the president's office. She has characteristics of a dog, but she seems to have some hedgehog in her. Following her was a red hedgehog. The alarms go off as they sprint down a long narrow hallway, the guards run out from their posts. "Follow me" says the girl as they run into the office, "Who are you?? What do you want with me?" says the president as he calls his guards in. "I'm Kira and I need to know why you deliberately attacked me out of nowhere?" Kira says angrily. One of the guards shoots and hits Kira right in the arm, going straight through the flesh, barely hitting an artery. "AAAAAAAAGH!!" Kira screams as she falls to the ground. The red hedgehog attacks the guard. "DON'T YOU HURT HER!!" he screams. "Who are you?? What do you want with us?" says the president. "My name is Jordan and I have nothing to do with you." Jordan says quietly. He picks up Kira and brings her to her peaceful house with red curtains, he opens the door and puts Kira on the couch. "AAAUGH!!" screams Kira as Jordan touches her arm. "Shhhhhh....Calm down hun" Jordan says as he wraps an Ace Bandage around the bleeding wound. "BLOODY HELL!!THIS PAIN IS BLOODY MURDER!!" Kira screams. "Shhhhhh.....Kira calm down" Jordan soon starts to rub Kira's back and shoulders, then Kira allows Jordan to touch her and make her heart rate go up. "OOOOH..." Kira says quietly as Jordan continues to rub her. After the couch was stained with white marks they lie down to rest. For the first time in his life, Jordan was afraid that Kira was going to hurt herself. So he curls up next to her and kisses her neck and rests for the mysteries of tomorrow ..

2 - Mysterious Assassin

Jordan woke up with a sharp pain in his side, he winces and the pain and tries to get up, "GAH!" he screams and falls to the ground. He tries to get up again but soon has this sharp pain hit his back, he was brutally shot. "GA-AH!" Jordan screams as the blood soon starts to trickle down his spine. "JORDAN!" Kira says as she jumped out of bed. "Are you alright?" she said her voice kind of shaky. Jordan couldn't say a word. Kira ran out side to see who the shooter was. Nobody was there. A chilly feeling hit her spine as she looked around. She didn't notice the red little light on her bullet wound from the other day. BAM! A bullet goes into her arm. "AAAAH!" Kira screams as she hold her arm. Another scream from Jordan comes from the house. Kira sprints into the house to find a light purple hedgehog with light green marks on him, holding up Jordan. "Let him go!" Kira yells as she cautiously walks toward the mysterious hedgehog. The hedgehog drops Jordan and turns around. "What in the bloody hell do you want?" Said the hedgehog as he walked viciously toward Kira. "Who are you and why are you here?" Kira said while trying not to yelp. "My name is Koda and I'm here to assassinate your little boyfriend here." Koda said happily. Then Kira's eyes turn a mean looking red as she bit Koda on the arm and then threatened him that if he ever came near this house Kira would beat him brutally then tear out his heart, show it to his face and then eat it. Koda ran away and the only thing Kira heard was, "I'll be back!! Don't you think that I'll give up that easily!!". Kira runs up to Jordan who was still bleeding. She wrapped up him with and Ace Bandage then did the same with her. Then they relaxed on the couch and Kira let Jordan do anything he wants to her. Kira and Jordan felt weak against one another and finished up and relaxed. "Jordan?" Kira said between rough breaths and trying to calm down. "Yeah hun?" Jordan says as he tries to calm down Kira. "Why did Koda want to kill you? You didn't do anything wrong" Kira says looking at Jordan with her deep, light, milky blue eyes. "I don't know but I think that he is mad at me for...Oh never mind.." Jordan says looking away. "Tell me.." Kira says as she kisses Jordan lightly on the lips. "I think he is mad at me cuz I got all the credit for when we robbed a bank together..He wanted to be the one who got in trouble.." Jordan says quickly. Jordan soon begins to cry thinking that Kira would hate him for that, But Kira wipes his tears away and starts to kiss him. They spent an hour kissing and holding each other. Though, they both had one question in there minds, "Why is Kira wanted?" Jordan thinks as her kisses Kira smoothly. "Why did Jordan rob a bank?" Said Kira as she licked Jordan's neck like a dog would.

Will the questions be answered? Find out.....

3 - Confusion and a Get Together.

Jordan stopped holding and kissing Kira, but Kira seemed to still lick Jordan's neck. "Hun what's the matter?" Jordan says as he stops Kira. "I-I-I...Why did you rob a bank?" Kira says shaking. "Hun..that was a long time ago..it was nothing.....It was a dare...." Jordan says quietly. "And I was stupid to do it." He said while rubbing her stomach. "Oh.." Kira says as she breaths to the motions of Jordan's hand rubbing her. "Why are you wanted?" Said Jordan as he smoothly beginning to move his hand toward Kira's underwear. "I was wanted because The police a.k.a Knuckles the Echidna think that I killed 2000 people by setting a building on fire." Kira said noticing Jordans hand moving closer and closer to below the waist area. "Oh.." Said Jordan as he began to rub her. Kira moves uncomfortably up toward Jordans face. "Stop it!" Kira growls deeply as she moves his hand away. "I'm not in the mood right now!" Kira quickly gets up and walks to the door grabbing her jacket and cell phone. "Hun?" Jordan gets up and stands there. SLAM!! The door shuts loudly as Kira left. "I need a drink." Kira says under her breath as she walks away from the house. "Finally now I can have a lil chit chat with the top dog in the house..." Says Koda as he quietly follows Kira. SNAP! A branch breaks as Koda steps on it. "Who's there??" Kira says as she bares her teeth showing no fear. "Show Yourself!!" Kira growls deeply and anger surges through her deep growls. "Well, Well, Look who we got here.." Says Koda lunging at Kira.

4 - The Attacked and the Confused

“AAAH!!” Kira says as Koda attacks her. “What the hell do u want?” She growls. “Care to join me in a lil talk?” Koda says grabbing Kiras arm. “NO!” Kira says trying to shake her arm loose but Kodas grip is too tight. “Come here yah crazy dog.” Koda snaps as he throws Kira into a black car with a Dragon named Spike, and another hedgehog named Jake. “Lets go!” Snaps Koda as he stares at the house. “JORDAN! HELP ME!!” Kira screamed and tried to escape but the black hedgehog named Jake smacked her. “Kira?” Jordan ran outside and noticed that Kira was screaming and cussing at Koda. “Kira!!” Jordan ran after the car, but failed to reach it as he tripped and fell to the ground. “KIRA!!” Jordan races after the car and found out that it lead to Kodas house.

“LET GO YOU SICK BASTARD!!” Kira says as Koda starts to feel and admire her. “Shhhhhh. Calm down. You should relax and enjoy this..” Koda says as he begins to try and rape her. “STOP IIIIT!!” Kira screams. “Jordan is to old for you. I’m the guy you need.” Koda says. SLAM! The door opens revealing Jordan standing there pissed off. “Let..her...go...” Jordan says as his fist clench. Koda springs up and pulls out a gun. “How about.....no..” Koda says. “She loves me and you know it.” Koda brags. “I DON’T LOVE YOU!” Kira screams. “SHUT IT!” Koda says as he quickly turns around and shoots the gun. “NO!” Jordan jumps in the way and gets shot right in the stomach. “GAH!!” Jordan screams as he falls to the ground. “JORDAN!” Kira sat on the bed shocked and naked. She thought Jordan was dead. “Heh.” Koda laughs as Jordan tries to get up. “PREPARE TO DIE OLD BUDDY!” Koda says as he points the gun to Jordan.

Kira tried to move away but Koda wouldn’t let her. “How was that?” Kira says trying to act sexy. “Hot.” Koda says as he steps closer. “Good. Now, can u do a lil girl a favor?” Kira says pretending to pull her bra down. “Oh Yeah!” Koda says staring at Kiras body. SMACK! “SHUT THE HELL UP AND NEVER, EVER TOUCH OR HURT MY BOY AGAIN!” Kira screams as she smacked Koda across the face. Koda falls to the ground at impact. “Damn it.” Koda says rubbing his cheek. Kira picks up Jordan and carries him home. “Relax hun.” Kira says as she puts Jordan lightly on the couch. “GAH!” Jordan says as he grips the couch hard. “I’ll make you feel better.” Kira says as she kneels down near his stomach. Kira slowly starts to lick his wound making the blood go away. “GA-AH!” Jordan screams in pain as he grips the couch again. Kira starts to lick inside the wound to clear the space where the bullet is. Jordan grips the couch and screams. Kira slowly pulls out the bullet causing more blood to come out. She licked the wound again and wraps it up. “There, feel better?” Kira says as she begins to strip down to her bra and underwear. “Yeah.” Jordan says pulling Kira next to him. They felt and did rough things to each other. They decided to go farther and they both loved it. Soon enough, a baby was surprisingly produced.

Jordan says with his tail wagging slightly. An hour and a half passes and Kira comes home. "Hun, I've got a surprise for you." Kira says as she walks in and her tails wagging a mile a minute. "What?" "What are you doing?" Jordan says, his foot tapping. "I'm just giving her a congratulations hug." Firehead says as he walks by Jordan as hugs her. "Oh." Kira says as she blushes and steps back. "The baby, it kicked." Jordan walks over with a confused face on. "What do you mean? Kicked? It's only a couple of days old." Kira walks over to Jordan and places his hand on her stomach. A little pressure pushes on his hand. "It's a lil different for hedgedogs, You see. They grow faster than normal hedgehogs or dogs." Kira says as she rubs herself against Jordans body. "Oh. Your body still looks great." Jordan says as he blushes and starts to kiss Kira. "Oh." Kira couldn't help but try and pull of Jordans clothes. "HELLO?" Sapphire yells "WE ARE STANDING RIGHT HERE!" He says wiping his eyes. "Yeah. Hey hun," Kira says as she steps backwards a little bit. "Yeah?" Jordan yawns. "Today I woke up and I felt weird. I know why it is just that, when a hedgedog gets pregnant, they get very aggressive. So, Try and watch yourself today. Ok? I might just wanna sit in our room." Kira says shaking. "Ok hun, if you want." Jordan says as he kisses Kira and then he stops and smells a weird scent on her body. He sniffed her body. "Hun. Why do you smell like Koda?" Jordan says as he begins to lick Kira. "I don't know. Shouldn't I smell like you?" Kira says as she begins to lick Jordan back. Kira and Jordan spent a couple of minutes licking each other. Kira stops and growls. "Hello?" Firehead and Sapphire walk in. Kiras growl becomes deep as her fur begins to raise up a little. "Kira are you ok?" Firehead says as he steps back a little. "Kira, Hun, Go relax. I'll explain." Jordan says nudging Kira toward the bedroom door. Kira snarls deeply. Jordan explains to the frightened couple what is wrong with Kira. "Oh" They both say. Just then a huge snarl comes from the room Kira was in, not only a snarl, but a scream of pain from a familiar voice, Koda.

11 - A Baby Is Born

Jordan runs into the room to see a trail of blood go from the bed where Kira was sitting out to the widow. "Damn, he left." Jordan says whacking the door. Kira sat there with wide eyes. Then she stared at Jordan. "H-h-hun. I-I-I-I think....The b-b-baby is ready." She ran up to Jordan hugging him tightly. "Omigod! Lets get you to the hospital." Jordan pick up Kira and puts her in the car. Sapphire and Firehead followed. The whole ride there Kira relaxed and listened to Sapphire who knew what she was doing. At the hospital Kira was sent to a room, and Jordan sat outside. "Oh god. I'm nervous." Jordan says putting his head on his fists. They all waited for the signal to come in. Jordans ears twitched every time he heard a noise. "Hey dude, calm down, she'll be ok." Firehead says as he patted Jordans back. Jordan takes a deep breath but doesn't let it go. He lets it go when he heard Kira yell his name. "Kira, I love you so much." Jordan whispered. "Jordan would you like to see your son?" A doctor said. Jordan sprung up and saw Kira laying on a hospital bed holding a little baby boy. "Want to see your son?" Kira says quietly. Jordan walks over and sees that the baby looked like him, only the color of Kira with the marks on his body like her too. "He's beautiful." Jordan says with a smile on his face. "What are you going to call him?" Said the nurse holding a notebook. "AJ." Kira says looking at Jordan. "Yeah, we'll call him AJ." Jordan says. "What is AJ going to stand for?" The nurse replies. "Uh. Nothing. Just AJ." Kira says snuggling AJ. Kira and Jordan took AJ home and introduced him to everyone. "I love you so much." Jordan says as he kissed Kira. "I love you too." Kira said back. AJ opened his eyes and Kira wagged her tail and started to lick him. They all relaxed for the rest of the day. "Damn it. Not MY kid." "Murmured Koda as he watched the couple bond with their child. "Well..Then...I'll have to fix that." He said taking out a gun.

12 - Careing Love

Kira and Aj were playing on the floor when a huge knock hit the door. Kira picked up Aj and curled in a corner of the room. Jordan answered the door. BAM! He was shot in the arm. "GAH!" Jordan yells as he fell to the floor. "Oops, I missed." Koda says as he walks in. "Koda!" Kira snarled as she held Aj in a safe protective way. "What are you doing here?" She snarled. "Coming to kill your kid. What do you think I was here for? Oh and I did wanna come see my beautiful wife." Koda says as he kisses Kira roughly. Koda grabs Aj who was beginning to cry. "Shhh. It won't take long." Koda says as he stares at Jordan who was laying on the floor and trying to get up. He pointed the gun at Aj. "See yah later!" BAM! The bullet didn't hit Aj. It hit Kira right in the stomach. "GAAAAAAAAAAAAAAAAAH!" Kira screamed as she fell on the floor. Jordan Slams right into Koda knocking him down. "LEAVE US ALONE!" Jordan shouts. Koda runs out. Aj crawls over to his mother and licks her wound carefully. "GA...H.." Kira tried not to screams but she griped the ground tightly. "Jordan..It hurts.." Kira whined as Aj licked her wound. "GA...H!" She screamed again. Jordan quietly sat down near Kira and picked Aj up. "Shhh...It's alright hun." Jordan winced as Aj began to lick his wound. "Aj stop." Jordan says as he places Aj on the floor. A crawls up to Kira and begins to lick her wound again. "I love you too Aj." Kira says as she pets Aj's head. After Kira was wrapped up they all rested with the hopes of a normal day.

13 - Romantic Evening.

Kira woke up with Aj snuggled up to her. "Aww." She said under her breath. Just as Kira tried to get up Aj woke with a cute little smile on his face. "Jordan?" Kira says with Aj in her arms. "In here." Jordan said. Kira walks into the bathroom and notices Jordan in the bath tub, relaxing. "Wanna join?" Jordan says romantically. "Of course I will." Kira says putting Aj down. "Up!" Aj barks. "Did you hear that?" Kira yelped with her tail wagging. "His first word!" Jordan says. "Well..since he said his first word, he can join us." He laughs. Kira strips down and jumps in with Aj. "HmMMM." Kira sighs. "This feels soo nice." She laughs as Aj splashes her. After the bath, Kira licks Aj. "Up!" Aj barks. "Ok." Kira says as she picks up Aj. "Oh Kira." Jordan growls romantically. His fur glows a light pinkish blue color. The power of the hearts made him appear that color. "Oh." Kira growled romantically back. Kira called Firehead and asked him if he and Sapphire could watch Aj for a while. They agreed. Kira walked up to Jordan and held his hand. "I love you." She whispered in his ear. Then she turned a light white bluish color and flew to the door. "What? Your not the only one with powers." She growled sexily. "Ooh!" Jordan says as he floats up to Kira. Kira pokes him on the nose and flies up into the afternoon sky. They flew for a while then rested in a tree on sunset hill. "I've never seen anything more beautiful than you Kira." Jordan says to Kira with his eyes glowing. "Oh stop it!" Kira says blushing. "I've never been so serious in my life." Jordan says as he leans in to kiss Kira. They kissed each other for a while then went home to relax and Jordan made Kira and himself some dinner. "Enjoy." He says as he puts a plate of steak down in front of Kira. "I'm going to make dessert." Kira says in a sexy tone. "I can't wait." Says Jordan as he winks at Kira. After eating they laid on the couch and Kira and Jordan got into some rough sex. They stopped after they couldn't breath. "Wow" Kira says as she tries to take deep breaths. They cuddled on the couch and the silence was broken when Aj cutely crawled in and said "Up!". Kira let him up and they all fell asleep.

14 - A Worried Angel

Kira woke up with Aj on her stomach. Jordan was nowhere to be found. "Hun?" Kira called out. "Up! Aj barked. Kira picked him up. RING RING! The phone rang. "Hello?" Kira says. "Hello, miss Kira? I'm Dr.Bricksville and I'm here to tell you that you husband, Jordan was brutally beaten and sent here. Can you come and *click* Come and see what I did to him" Koda's voice came on. "Koda? What did you do?" Kira growled. "You'll see. *click, beeeeeeeep*" the line went to dead. Kira ran over to the hospital and found Jordans room. "H-h-h-hun?" Jordan says as he tries to get up and calm his beloved. "No, don't get up." Kira says walking over. She kisses him and start to cry. "Who did this to you?" She sobbed hard. "Shhh...No tears," Jordan says as he wipes her tears away. "I couldn't stand Koda and so we fought and I was sent here by some nice teenagers who were out partying. Now, Don't cry, I hate to see you cry." He says as he kisses Kira. "I'm going to stay here for tonight. Ok? You and Aj relax, I'll try to come home early if I miss you tonight." He says as he rubbed Kira's stomach. Kira made a small whining noise. After a long talk Kira went home and played with Aj. Then she bonded with him by taking of her clothes and crawling around nude with him. She licked and hugged him. KNOCK KNOCK! A knock on the door echoed through the house. "Hun?" Jordan says as he walks in. He noticed Kira and Aj laying on the ground cuddling up to each other and nude. "Hun?" Kira yelped happily and hugged her husband. "I was so worried." Kira says pushing her bare body against him blushing madly. Him and Kira kissed for a while and they enjoyed the day.

15 - Happy Valentines Day

“UP! UP! UP!” Aj screamed as he jumped on Jordan. “Sometimes I wish that the only thing he could do is sit there and be cute.” Jordan moaned as he got up. “Kira?” Jordan says as he got up and threw Aj on the bed as a joke. Aj screamed with joy. “UP!” He barked. “Fine.” Jordan says as he picks the spazzed out Aj. “Mommy?” Aj says as he looked around. Jordan stared at Aj. “Yep..Gonna find mommy.” He says kind of shocked that Aj said that. Jordan put Aj down and told Firehead that he was going to find Kira. “Kira where are you?” Jordan called out. BAM! Kira jumped at Jordan and kissed him roughly. “Happy valentines day hunny.” Kira said romantically. She turned whitish blue and flew up. “Coming?” She says in a soft, sexy tone. “Of course.” Jordan says back in a sexy voice. He turns pinkish blue and joins her. They fly around and kissed each other. Kira started to lick Jordans neck as they flew over the ocean. “I love you so much.” Kira says as she begins to lick his neck again. Jordan stops her and starts to lick her neck. “I love you too.” He whispers. Jordan continues to lick her neck. “Ahhh. Hmmm.” Kira says as she begins to blush and enjoy the love. “It is sooo hard to explain my love to you Jordan, I would find it hard live without you hun.” She whispers. Jordan stops licking her and holds her tightly. “I would do anything for you Kira, I would never leave you hun, my love burns for you like the intense heat of two billion suns.” Jordan says as he stares at her eyes. Kira licks Jordans neck and begins to cry. “I love you so much.” Kira sobs. “Please don’t leave me.” She sobs harder. “I will never leave you hun. I promise.” Jordan says as he stares at the sunset and also begins to cry. The couple kissed and cried for the rest of the night. Jordan said hugging Kira from behind. "Well when you two are done eating we will go out in the back and we can try to get Aj to do it again." Kira said picking up Aj. Aj pulled the top of her shirt down. "AJ!!" Kira gasped. "The little tyke is hungry." Jordan laughed. "Put a pancake in it." Kira said throwing a piece of pancake at Jordan. He laughed and fell off his chair. Kira laughed at him. "Hardy Har." Jordan said getting up. "Done?" Kira said staring at Aj. "No!" Aj squealed as Kira pulled her shirt back up. Her eyes turned a whitish green as she felt the energy surge through her again. "You ok hun?" Jordan said while stuffing a pancake in Aj's mouth who spit it out and squealed. "Yeah, I just think, oh never mind." Kira said staring at her eyes in a mirror.

RING! RING! The phone woke up Kira. She groaned and sat up. "Who would call this early?" She yawned. She picked up the phone with a blank face on. "Hello?" She said while getting up. "What's up? This is Virus! Is Jordan there?" Said a voice. "Oh, yeah wait one moment." Kira said as she got up. She put the phone down and stared at Jordan and Aj. She awoke under her breath and moved Aj quietly to her side of the bed. She stepped back and pounced on Jordan. "JORDAN WAKE UP! THERE IS SOMEONE ON THE PHONE FOR YOU!" Kira screamed with joy. "Too, Early." Jordan moaned. "It's Virus!" Kira barked. Jordan grabbed the phone and started to chat with his friend while Kira fed the now awake and hungry, Aj. "Yeah, Uh huh. Well. What? Sick-o! Why the hell would I do that? Ugh. Give the phone back to Virus, Tony I'm serious. Ok. Well bye." Jordan hung up the phone. "Who was that?" Kira said slowly crawling up to Jordan. "Just some friends. Do you mind if they come over today?" Jordan said as he smiled at Kira. "Only if you guys let Aj sleep, and if you clean up after yourselves." Kira whispered. She kissed Jordan and then slid off the bed to make breakfast.

DING DONG! The doorbell rang throughout the house. "Coming!" Kira said. She opened the door to see a green hedgehog and a grey dog standing there. "Why hello there," Tony said as he kissed Kira's hand. "My name is Tony." He said staring at her. "Why hello. You must be my HUSBANDS friends." Kira said. "Drat, you're his wife?" Tony said looking pretty depressed. "Yes." Kira growled. "Whoa wait, we are not here to fight or hit on you," Virus said elbowing Tony. "We came here to see Jordan." He smiled. Kira let them in and snapped at Tony for trying to touch her. "Hey, hands off my wife at all times." Jordan goofed. They laughed and went out. Kira sighed and played with Aj. The little fuzz ball squealed and barked. Kira wagged her tail and yipped.

When the guys came back home Kira was feeding Aj. "Oh I want some of that!" Tony giggled. "Drunkard." Virus sneered. Tony walked up to Kira and put his arm around her. "Hey sexy, how about I fill you up?" He giggled and put his hand on her chest. "Honk!" Tony laughed. Kira growled and bite his arm. Drops of blood hit the floor. Tony giggled and laughed. "What was that for?" Jordan said wrapping up the drunken Tony's arm. "Some dogs don't like to be touched by other dogs when they are already married or if they have a kid or carrying a kid." Kira said wiping off some of Tony's blood from her mouth. "Carrying a kid?" Virus wondered. "What I mean is that if a dog is pregnant, she won't want another dog touching her." Kira growled. "Your pregnant?" Jordan said. "No." Kira said. "I'm just saying another kid would be nice." Kira blushed. Tony raises his hand. "Yes?" Kira said. "I'll do it!" Tony laughed. "No." Kira said. Tony and Virus walked home and Kira and Jordan relaxed. "Mommy?" Aj said holding his arms up. Kira picked him up and hugged him. He squealed as Kira kissed his stomach. She placed her lips on his stomach and blew. Aj squealed with joy. After they calmed down Jordan wanted his time with Kira. "Fine, but only for a couple of minutes." Kira said. Kira let Jordan do whatever he wanted to do with her. When they were done, they fell asleep not aware with what was going to happen.

26 - A Small Visit

A shadow crept along the walls, someone wanted in, a brown hedgehog ran as fast as he could to get away from it all. He rested at a rock, held his breath, and looked around. They were coming, quicker now. The brown hedgehog stumbled and tripped over rocks and sticks, he felt weak and tired. He ran until he spotted a house, Kira's house, he quickly ran to the door and pounded on it. "Help! Somebody please hear me, help!!!" He screamed.

"What the?" Kira said as she stretched. She ran down stairs and opened the door. The brown hedgehog fell to the ground. "Please help me." He said shaking. Kira gasped and led him inside. She placed him on the couch and gave him some water. A couple minutes later a loud knock hit the door. "Don't let them get me." The hedgehog cried. Kira opened the door and there stood a gang. "Hey, we saw him come in. Now give him to us or we will beat yah senseless." said the leader. Kira stood there for a while then took out her sword. "Get the hell away from my house or I'LL bet you senseless." Kira warned them. The gang ran away. Kira walked over to the hedgehog and placed her hand on his wound. He winced and cried. "You ok??? What your name??" Kira whispered. "My name is Mark. Thank you for saving me." Mark cried. Kira gave him some medicine and watched him fall asleep. She nodded off to sleep right after.

Jordan went down stairs to see Kira sleeping near Mark. "Hello?" he said walking down. "Hello hunny." Kira said. "Who the hell is that?" Jordan said holding Kira. Kira explained to Jordan about Mark. "Oh, well as long as u and him are ok." Jordan frenched Kira roughly. Kira gasped and blushed heavily. "Wanna go back to bed?" Jordan growled sexily. Kira and him ran up stairs and played around for a while. After that they went back down stairs to see Mark trying to get up. "Rest, u need it." Kira said pushing lightly on Marks chest. Marks laid down and cried. Kira soothed him and Jordan made him some food. The three got to know each other and they became great friends. Kira introduced Aj to Mark. Aj squealed then cried because he was hungry. Kira fed him and Jordan stared. "HEY!" Kira said turning her back towards the guys. "What?" Jordan laughed. Kira ignored them. They all chatted for a while then it was time to go to bed. Kira and Jordan let Mark sleep in the guest room. Kira and Jordan went up stairs and played around again. They fell asleep quickly. Kira stayed up though, she had a feeling something bad was going to happen.

27 - Pain and Suffering

Kira laid awake, She shifted in her bed, Something was bothering her. She got up and looked around, nothing. Her ears twitched as she heard a noise from the kitchen. She ran downstairs to see Mark, standing there, with a knife in his hand, crying. "Mark? Put the knife down!" Kira stepped closer, being weary about the situation. "I don't deserve to live." Marks sobbed. He looked at Kira and sobbed. "I led them toward you." Mark cried harder, his tears hitting the floor. Just then a crash came from the other room. "Run!!" Mark warned. "I'm not running." Kira said walking toward the noise. "HIIIIYA!" Said a guy as he turned the corner. He swung a bat and hit Kira, she kept her stance. A gang appeared and Mark choked on his tears. Jordan rammed himself into the one with the bat. Anger was shown in his eyes. "Get out of here why you can!" Mark pleaded. "No! I'm not letting you die!" Jordan and Kira yelled. Kira and Jordan fought hard, tragedy struck when Mark got stabbed, with a sword, right in the heart. "NO!" Kira screamed. She rammed herself into the guy and threw him out the window. She kneeled at Marks side crying. "Thanks f-f-or caring." Was the last thing Mark said, He died. "No, NO!" Kira choked on her tears. She cussed at herself and cried. She couldn't take it, She twitched and glew a dark red. "Kira?" Jordan started shaking. A burst of energy knocked him down as Kira ran out. Power surged through her madly, She wanted it out. Signs and cars flew out of the way of Kiras power. "Get out of me!" Kira screamed, she let out a wave of power that crumbled rocks and cars. Jordan ran outside and noticed Kira. "Kira!" He screamed. He rushed over t o her and held her. "It's happening again," Kira sobbed. "Don't let me hurt anyone." She cried hard on Jordans chest. "Shhh, Kira, hun, calm down." Jordan said as he rubbed Kiras back. "You ok?" He whispered. Kira nodded. "Good." Jordan said staring at Kira in the eyes. He gave her a happy smile. Kira lunged at him, knocking him down, she sat on top of him with her tongue deep down his throat, kissing him roughly. Jordan took little surprise in it. He kissed her back, rougher to show that he cared. Kira broke the kiss and pulled Jordan closer to her body. Jordan picked her up and brought her to their room. Kira became rough with Jordan, she bit his ears and acted rougher. She wouldn't let him rest, she made him do it. After they finished Kira panted heavily and relaxed in Jordans arms. Jordan fell asleep after Kira did. They relaxed for the rest of the night.

"If you must know why I'm here, I came to say hello to my darling." He laughed. "Oh ha ha. Very funny." Jordan snarled. Koda walked into Jordans house and looked around. Jordan lunged at Koda knocking him down. Jordans body started to show crystal like spikes, he snarled and picked up Koda by the neck. "Uh, Jordan?" Koda gulped hard. "Leave me alone!! Kira doesn't love you!! She loves me!" Jordan snarled and threw Koda against the wall. Jordan spazzed with rage, picked up koda and whacked him harder. "Hun?" Kira said. Jordan looked at Kira and smiled. "Kira?? Want to join me in killing Koda??" Jordan smiled. Kira stepped back and panicked. Koda got up and ran away. "Hun, calm down." Kira walked cautiously toward Jordan and pressed her body against him. Jordan twitched in anger. "Damn, he left." Jordan whispered. Kira licked Jordans neck roughly to try and calm him down. "Hun, If I can calm down, so can you." Kira whined. Jordan gripped Kira roughly. "You can't stop me." He whispered. Just then Rosy walked into the room. "Omigod!!!" She took out a red stone and showed it to Jordan. "Stop it!!!" She yelled. Just then a light shown brightly, covering the whole house. When the light disappeared, Jordan was back to normal and his clothes were torn off his body. "Huh? Kira?" Jordan moaned. "I'm here, shhh calm down." Kira whispered. She held Jordan roughly in protection. Rosy walked over and hugged Jordan. Kira held her breath and slowly let out a growl. Rosy stepped back and relaxed, she said good-bye and left. Kira sat on the floor and growled sexily at him. Jordan crawled over and kissed her roughly which quickly became a rough french kiss. Kira tried to hide her cry for more love, but she lost her control. Kira laid down and let Jordan feel her. Kira murmured words to him as he licked her. They stopped when Kira whined. "The baby kicked" She whispered. Jordan cuddled near Kira and kissed her. They fell asleep and relaxed.

32 - Untitled

Kira woke up in shock, nothing felt right. She looked around the room in a shock. Someone was in her house, but who. Kira sprang up and quietly stalked around the house. She suddenly got a strange craving, the pup in her probably caused it. She licked her lips and quietly slinked on. Suddenly she froze, her ears twitched as she heard noises coming from the kitchen. She leaned against the wall, her sharp fangs were glinting in the light. She licked her lips, thinking about the blood she can have. She listened carefully, who ever was in there decided to leave the room. Kira's eyes glinted red, she knew it wasn't the pup giving her the feeling. It was something she forgot about in the past, and it just decided to wake up. Kira held her breath as the intruder walked towards the door. Kira quickly sprang out and tackled him. The intruder came into a quick shock as Kira stood on top of him. Kira growled in protection, and in hunger. "Hun! Its me! Jordan!" he cried. Kira blinked, she looked at Jordan with an unsure look, then totted off of her husband. "Sorry hunny, I thought someone was breaking in." Kira whined. "Its fine, but you scared me. Is there something wrong? Your eyes are red." Jordan said, pointing to Kira. Kira backed off, she knew she had to tell him. "Yes, there is something wrong," she sighed, "when I was young. A demon was locked into me, it forces me to kill and have blood cravings." Kira whined. Jordan stood in shock. "What? How can, how did, why didn't." He froze. Kira's ears went back, knowing something bad could happen. Jordan went to her and gave her a rough kiss on the lips. Kira froze confused, but she kissed back, knowing that's what he wanted.

33 - Demonized.

34 - Summer

Kira and Jordan both woke up uneasy feeling. Kira knew that her demon was upset and the bay could be coming soon, and Jordan was just worried about Kira. Kira got up and went downstairs. "Hehe, well hello Kira," Said a familiar voice, "So nice to see you again." Kira: turned to see herself face to face with koda. Kira gasped, "Koda? How did you get in the house?!?" she said, shaking. Koda smiled and started circling Kira, watching her body. "My, my, you have gotten sexy." Koda purred. Kira didn't move and inch, she wanted to scream for Jordan but she was afraid. Koda grasped her tightly and handcuffed her hands behind her back. Kira struggled to move but koda stripped her naked and tied her up. Koda licked his lips happily. "Mmmmmm, Kira don't you look tasty." koda purred. He quickly picked her up and ran out of the house. Meanwhile, Jordan was taking a shower. He had no clue on what went on downstairs. He turned off the shower and noticed how quiet it was. He slipped on a towel and walked out into the hall. "Kira? Hunny? Everything ok?" He walked down the stairs and looked around. Noticing Kira's clothes on the floor her became alarmed. "Kira?!" he hollered into the quiet house. No answer. Only the cry of Aj on the floor was heard. Jordan picked him up and held him. "Where's mommy Aj?" Jordan begged hoping he knew the answer. Aj just cried. Jordan placed him in his crib and got dressed. "I'll be back lil man." he said patting Aj's head. Then he sprinted out the door to find Kira. "lets get this over with, shall we darling?" Said koda stripping out of his clothes. Kira was chained to a bed with no clothes, tears were streaming out of her eyes. Her mouth was taped up and her body was quivering. "I missed you too darling." koda purred as he climbed onto Kiras body. Kira sobbed and tried to move but koda pierced her down. Koda kissed her neck sensually and started to rape her. Kira's body shook madly as she tried to escape. "Shhh, I'm here darling. *moan* there's no need to struggle. *moan*" Koda said, pleased. Kira sobbed and felt her body become all tense. Se wasn't happy about the pain koda was bringing her. Kira gasped and she felt pain. She didn't do what she thought she did. She was going into labor. She started to whine and scream in pain. Koda looked at her and smiled evilly. "So you are pregnant." he whispered. Kira opened her mouth widely and the duct tape fell off a bit. "You sick, disgusting, rapist, bastard!" Kira screamed. Koda finished his business and got off of her. "I'll leave you to mourn in pain." He mumbled, leaving the room. Jordan ran quickly and he heard Kiras screams. He bolted into the house of koda and tackled him. "Where is Kira?!" he snarled punching koda in the face. Koda sneered. "in that room, delivering your kid, but right when she's done, I'm going to kill it." He laughed. Jordan grabbed Koda's throat and growled. "You do that and I'll send you to the deepest part of hell!" he threatened. Koda gulped slightly and kicked Jordan off. "Ok, ok. I won't. Just take the girl and go. I did what I wanted to do anyways." he sneered. Jordan ran into the room where Kira was giving birth. Tears were dripping down her cheeks while she sobbed and tried to get the birth over with. "Jordan, it hurts." Kira cried. Jordan stayed by Kira's side and helped her deliver a beautiful baby girl. Jordan picked up Kira and the baby and started walking home. "What do you want to name her hunny?" Kira whispered. Jordan smiled weakly and looked at her. "Can we name her after my mother?" he pleaded. Kira nodded. "Ok, then its official," Jordan smiled as he started to cry, "Welcome to the world, my beautiful baby summer."

35 - lust (warning. sex XD)

Kira and Jordan with their new baby summer got home around midnight. Summer was sleeping happily in Kira's arms. Jordan smiles happily and laid Kira in their bed and placed summer in the crib next to Aj, who was squealing to meet the new face in the house. "This is your baby sister Aj, her name is summer. And as a big brother now you'll have to watch out for her and care for her." Jordan said quietly. Aj nodded and looked at the now awake summer. "S-sissy!". Summer looked up at the two boys and hiccupped. She had no clue who they were. Jordan smiled. "Hey there summer. I'm your daddy. Welcome to your new home. This is where your going to live now with your older brother Aj." He held summer lightly and kisses her forehead. Summer made a small yip and her lil tail wagged uncontrollably. Tears welled up in Jordan's eyes and he held Summer and Aj close. " I promise, I'll be the greatest father you'll ever have. I'll always be here for you and I wont ever leave you." he sobbed. Kira was standing at the doorway listening to the whole thing. "Don't worry darling, your already a wonderful father in two peoples eyes." she whispered. Jordan heard her and turned around to see her standing there. A weak smile came upon his face and he put the two children in their crib to get to know each other more. "They love you already Jordan, you don't have to worry." Kira walked to the crib next to Jordan and stroked both of her babies heads. They wagged their lil tails as fast as they could and Kira smiled. Jordan smiled and looked at Kira when she stood up completely. "Your so beautiful." He said kissing her on the lips passionately. Kira smiled in the kiss and didn't say anything back, she just kissed him more. They spent a couple of minutes kissing each others lips and necks. Jordan left the room quietly with Kira and tackled her into their room. They spent more time kissing and cuddling. Jordan kissed Kira all over her body and licked her all over. Kira felt paralyzed, she couldn't of wanted to be any other place at that time. Jordan looked at Kira and kissed her passionately and tried to please her. Kira knew that that night was all hers. She had Jordan all to herself and nobody was there to take him away. Kira gasped and let Jordan control her actions. Lust filled the air as the mating began. Everything was going fast and slow at different times. But she loved the feeling of Jordan being so close to her body. She felt her body becoming weaker and weaker as Jordan moved along her body. Jordan couldn't think of anything but Kira at the moment. His heartbeat was going faster than a speeding bullet. They both could barely talk as they continued. The only thing that was heard was a small cry of happiness from Kira at moments of the mating. Jordan couldn't hold in anymore lust and her gave Kira it all. Kira's body shook with lust and happiness as Jordan stopped to kiss her. They cuddled as close as their bodies would let them. "I love you Kira, more than anything in the whole world or universe." Jordan mumbled quietly. Kira heard him perfectly and wanted to express her love to him, but her body was shaking to much. " I love you too Jordan." Kira felt herself begin to cry. Jordan held her close and cried with her. "I never want to leave you Jordan. I don't want anything to happen." she sobbed. Jordan nodded and held her closer. They spent the night kissing and cuddling. After all the tears dried, they went to sleep.
