Meh. The lyrics to a song I just made up. I was in another state of semi-depression (I get those a lot now. O.o), and this is a song I just... kinda typed. Yesh, its lame.

Chapter 1 - My Shattered Heart

2

1 - My Shattered Heart

Remember way back when
We'd walk on golden sand.
You would hold my hand
And whisper in my ear.
I thought I was dreaming,
I thought I was asleep.
But when you left,
I had lost something dear.

And now that you're gone,
I'm falling apart.
And nobody hears
These stinging tears that
Pour down like rain,
I can't take this pain,
Nothing can heal my shattered Heart...

Since that day
When you sailed away,
I've been waiting on that shore.
But you never came,
And nothing's the same,
And you don't love me anymore.

And now that you're gone,
I'm falling apart.
And nobody hears
These stinging tears that
Pour down like rain,
I can't take this pain,
Nothing can heal my shattered Heart.

And now that you're gone (Away)
I'm falling apart (Everyday)
And nobody hears (Nobody hears)
These stinging tears that (Stinging tears)
Pour down like rain, (Like rain)
I can't take this pain, (No, can't take this pain)
Nothing can heal my shattered Heart... (Nothing can heal my shattered Heart...)
