1 - Jesus Christ, Come Set Me Free

Little birdie, little birdie, fly so free,
In the clear, blue sky and across the sea.
With wings and feathers so gracefully,
Won't you please come rescue me?
Little birdie, little birdie, fly so high,
Flying so high into the sky,
I'm guessing then that this is 'Good-Bye',
Oh don't leave me here to die...

Lost in the Darkness and all alone,
With nobody here to guide me.
I am stumbling, searching for the Light
That will lead me home and then I can see.
But for now, there's nobody here
I've lost my way, and now I fear
That nobody else will help me find the path that's right.
But you've opened the way, to the Light.

Little birdie, little birdie, to the angels above.
Sing a song that's filled with love.
Yet little do I know that you're not just a dove,
You're my Savior, my Lord, Jesus Christ, my love.
You never left me, though I never knew.
You are the Spirit and the Truth.
I should always trust you,
To come and set me free.

Jesus Christ, come set me free,
To fly on wings across the sea,
To walk and not grow weary,
To run and not grow faint.
Jesus Christ, come set me free,
To fly on wings across the sea,
To walk and not grow weary,
To run and not grow faint.

Jesus Christ, come set me free,
To fly on wings across the sea,
To walk and now grow weary,
To run and not grow faint.

Jesus, I lift up my hands and sing,

In a clear, big voice, I give you my everything.
You are the way, the Truth, the Light,
Oh Lord....
