``Aghhhhhhhhhhhhh`` no one knew what that scream was, for now it remain as a mystery. Out, in station  
square, it was normal, just for 1 minute. The sky was pitch black, black, in midnight, a yellow hedgehog,  
it wondered thru station square, only a few social workers just got out from work, unsurprisingly a loud  
``boom" occurred, just near by a few workers. No one knew why, lots gasped the police came, so did the  
ambulance. But before the ``boom" came, the hedgehog looked at the sky, it was black (like I told  
yah before O\_O) she saw everything.....
