6 - EGGMANS PLAN

SAV5 PART 6-10

WHILE OUR HEROES WORK ON THE INTERDAIMENTAL PORTAL EGGMAN IS UP TO SOMETHING

EGGMAN:Hmmmm how am I going to kill that hedgehog and his friends? If i kill one of them in front of him he might go ballistic like last time and the time before that. Hmmm all I got here is whats left over from metal Sonic when he was almost destroyed. WAIT i got it. ill make a program so metal sonic can go super just like sonic. Hee hee hee this plan is gonna work for sure
Hmm now lets see the extrodanary power that sonic has when he goes super would fry the systems of metal sonic but if i can upgrade his systems they wont fry. E124 ALPHA FRONT AND CENTER!!

E124ALPHA: What is your bidding Master?

EGGMAN: I need your help to build an upgraded system for metal sonic. Your special tool in your arm will help greatly.

E124ALPHA: Yes sir.

EGGMAN: hmmm i ned to put this here and that there cover that and remove this recalabrate the brain system and enter metal sonics original program. Now he can read sonic mind and know how to harness the chaos emeralds. E124 ALPHA INSERT THE ADEMANTIUM PLATEING SO METAL SONIC WONT MELT WHEN HE GOES SUPER!

E124ALPHA:Yes sir! Mission complete sir!

EGGMAN: Good his upgrade is complete. Now e124 go and see what those troublemakers aer doing and dont let them knoe you are there!!

E124 ALPHA: YES SIR!!

MEANWHILE

SHADOW(A): Ok all we need to do is get the seven chaos emaralds and try this thing out.

TAILS: The x Tornado already has two emeralds.

SHADOW(A): AWSOME

SHADOW(B): I have one I always carry one around with me.

SHADOW(A): PERFECT we already have 3 emeralds we now need 4 emeralds!!

SONIC: Can we take a break we have been at this for 3 days?

SHADOW(A): Oh all right I think we all deserve a break. Come back tommorw and we will fin those emeralds.

ALL: OK!

E124ALPHA: Must report this to eggman.

EGGMAN: WHAT!!! AN INTERDAIMENAL PORTAL?!?! Oh never mind so they are taking a break untill tommorw huh? Exelent soon all my troubles will go away.
