1 - The beginning

Once, there was a horse named, Twilight. She lived in a barn in Spokane, Washington. One day, she was running in the fields playing with her friend, Star. "Darn" said Star. "My mom is calling me for dinner." "Ok," said Twilight. "See you tomorrow!" They both ran off to the barn with their mothers. "How was it?" asked Twilight's mom. "It was great!" said Twilight. "We even got to go in the lake and swim!" "That must of been nice," said Twilight's mom. "Oh, it was!" said Twilight. "Well, it's time to go to bed," said Twilight's mom. "Ok," said Twilight. Twilight kissed her mom good night, brushed her teeth, and went to bed. Twilight couldn't go to sleep because, tomorrow was the first day of school. She was wondering if no one liked her, if her teacher was too mean or too nice, if any of her friends were gonna be there, or if all of the kids were mean. Then she stood up and dashed around the room and see if she would get tired and she did. She got back in her bed and went to sleep. The next morning she woke up. Twilight looked very sleepy. "Why are you tired?" asked Twilight's mom. "I was up all night!" grumbled Twilight. Twilight walked to the grass, ate it, and got ready for school.
