# 1 - Sasuke's big Fight

(This story is not based on real episodes) It turned out as a normal day Sasuke acting all cool and and of course Naruto playing tricks on everyone. But today there was something very peculiar about Naruto, like he had a secret plan to get Sakura to fall in love with him. But sometime today Naruto will crack.

Later that very weird day Naruto had a vicious plan. Sasuke and Sakura had no idea what Naruto was up to! Sasuke is so CUTE!!!

You know your never going to get him!?

Sakura knew who's voice that was. It was the one person who was also in a competition to totally win Sasuke's heart!! It was Ino!

Ino and Sakura walk up to each other saying\_\_\_\_  
Hello Ino!?

Hello Sakura!?

So Ino, what devious plan are you going to perform today

Oh I don't know something like win Sasuke's heart, before you even get the chance to say month old pickle!!!

At that moment Sakura and Ino both saw one empty seat right next to Sasuke. So they both started charging over to the seat near Sasuke!

\*(sigh)\*

What did you say about me Sasuke?

What Naruto I didn't even say anything about you

Oh yeah you want to fight for the title of the class heart throb!??

\*(sigh)\* Okay but you are going to regret this when I win this fight. You are going to wish you never even said anything!!!

Yeah that's the end folks now tune in next time to see just who it is that wins the fight! Will it be Sasuke or will it be Naruto? Well if you contact me saying by which you get to vote who you think is going to win! All you need to do is give me a comment at [sychocat12543@fanartcentral.com](mailto:sychocat12543@fanartcentral.com)! So who do you think will win?
