THE WERID KID

One day (or night) I was at this kid s house. So I first meet him, right? Well he says Want to go play a video game? . I said sure. The first was ATV of road fury. Guess what? System Of A down was on there! The song was called Science ! I kept on playing it over and over again when he says Want to play a racing game? I said sure. And then he says Lets listen to this song! Then I say what is it?. Then he does a Heavy Metal voice of the guitar. So I say sure. Guess what it was? Sweet Home Alabama . He says I never play this game! I listen to this music! . Do you like it? said the kid. I m like yea&. I hate that song. [*.*] That s it I feel sorry for him!
