1 - Prolouge: Bobs final moments

ProlugeCurse Of The Were-Pie

Bob calmly trudged through the forest surrounding his village; he had no idea something was stalking him through the bushes...

No one saw him alive again...or so they thought.

The moon was full. His heart was pounding. There was a rustling in the bushes. Bob turned round in a flash, startled. He ran.

No matter how fast he ran he could never escape the relentless patter, the soft thud...thud... thudding of his attacker's movements. He dashed round a corner but stopped. There was something in his path. He stooped down. "Ooh...floor pie." They were his last words as a human being.
