Tidus and Wakka sat down at a table when Tidus interrupted the silence and said "So Wakka where is she?" Wakka stopped eating and made a grim facial expression "Gone..." he murmured "What Heh nice try Wakka seriously where?" "Gone!! Ok she found a sphere and left without a goodbye ya?! That's the last time anyone's seen her for all I know she became a sphere hunter!!" Wakka shouted "But that can't be true I and you but she was so sad and sigh I guess I'm going to have to find her c'mon Wakka your coming too" "I'm afraid that ain't gonna happen ya? I got a baby to care of ya?" "Then who am I going to take?" Tidus said with a sad voice "You can always take me." A voice said from the corner "so" the voice said "your finally back are you well looks like you haven't change but I have do you remember me?" The figure came out of the dark corner "Hey how you been?" "RIKU!! Wow you've changed a lot" Tidus said "yea I know I know but I keep thinking about my past and trying to unlock the true memories engraved in my heart but…" Riku took a long pause and sighed "the pain I feel each time it's piercing every time I look like Leon well I remember..." WOW WOW hold up time out don't think of the Leon in kingdom hearts you know in Sora's story where they prance around like little pixie's Leon is my pet, he's a small fire demon so there ok back to the story… "You think about what?" Tidus interrupted "I don't want to talk about it..." Riku said grimly "but so you want to find her huh Me, Leon, Cid, Red XII, and Sora can give you a lift but were sphere hunters where called the Lion fangs Our airship is called the Celsius like hers we fly all over spira searching and stealing spheres, so are you in or you out?" Tidus took a long pause "I'm in."
