<b>Chapter 2 - Delinquency</b>	<b>11</b>

## 1 - A kiss? Whom?

All romantic fanfiction is dedicated to the love me and my smexy boyfreind have for each other (anthony age 16)

A young boy with orange hair and green eyes, walked down the stairs happily.

"Mommy!" Said the little boy.

"Kyo, run! Run far away!" Yelled a woman as she was backed into a corner by a man in a black cape.

"Mommy." Said Kyo, suddenly the strange man turned around to look at the boy, the mans red eyes shined, he quickly descended on the boy, he picked the boy up and bit into his neck, he dropped the boy to the ground, the boys eyes became crimson, and his body lay there limp.

"Take that for defying me wench. On the eighteenth year of this boys life, he will become a vampire. That is what you get, for marrying that Sohma man, instead of me!" Yelled the man before disappearing into the shadows.

"Kyo, no! My son." Said the woman as she cradled the boy in her arms.

7 years later.

A teenage boy jumps of the roof of a house and lands on his feet, he then dashes into the kitchen and opens the fridge door, he takes out a carton of milk and begins to drink.

"Baka neko, you aren't the only one that drinks milk." Said Yuki angrily.

"Stop bugging me, kuso nezumi." Said Kyo as he put the milk down and slammed the fridge door.

"Yes Yuki kun, you shouldn't bug Kyo kun, after all it is his birthday tomorrow, and we don't want him upset for such a special day." said Shigure.

"Special?" Asks Tohru.

"It isn't everyday that a boy turns 18 now is it Kyo?" Asks Shigure.

"No it isn't." Said Kyo as he got up from his seat and went to his room.

"Why is he pissed?" Asked Yuki.

"It is something you wont understand." Said Shigure as he stared after Kyo.

Kyo was upstairs in his room asleep, it was hard not to sleep. Lately he had been plagued with

nightmares, and this night was no difference.

Kyo was in a dark place, he looked around, and he soon saw Tohru.

“Tohru?” He asked.

“Kyo kun...” She said. She began to walk toward him, she was dressed in a red dress that was really tight. “I don’t care what you have become, I still want to be with you.” Said Tohru seductively as she pushed Kyo onto a bed. He began to kiss her, and travel down her neck. He felt his canine teeth become bigger, and he began to see red eyes. Suddenly the eyes came toward him and he brought his fangs into her neck, he began to drink her blood as if it were juice, her body became limp and she looked into his eyes with pain.

“I knew you couldn’t help yourself when I gave you the chance to suck my blood, I still love you though. And I always will.” She said as her eyes went dull.

Kyo woke up with a start, sweat rolling down his neck. He looked around, and out his window. He walked to his window, and jumped to the ground, he then climbed the ladder and lays down on the roof.

“Kyo kun! What are you doing up here?” Asked Tohru.

“Uh... oh, just relaxing, I thought I’d look at the sky.” He said gently.

“Kyo, why is your neck glowing!” Said Tohru as she concentrated on a spot of his neck that was glowing.

“GAH!!” Yelled Kyo as he fell to the ground, Shigure came out and looked at his watch.

12:00.

“NO! Tohru kun, get away from him!” Yelled Shigure as he pushed Tohru away. Kyo began to rise, his canine teeth were grown into fangs, he then ran to Tohru to be stopped by Yuki.

“Stupid neko.” He said as he kicked Kyo in the gut, but it didn’t land, for Kyo grabbed his foot.

“Stupid rat.” He said in some foreign tongue which none of them understood. Kyo then tackled Yuki and began to punch him over and over.

“Tohru run inside and call Akito.” Said Shigure.

“But why?” Asked Tohru.

“Just do it.” Said Shigure, losing his carefree expression. She ran inside and called the Main House.

“Hello?” Asked a maid.

“This is the Sohma Shigure residence, we need Akito here immediately!” Said Tohru.

“But he is...” Began the maid.

“It is IMPORTANT!” Yelled Tohru.

“Alright, I will tell him.” Said the maid.

“What do you want wench!” Yelled a sleepy voice.

“It’s Kyo, he, something is wrong, Shigure told me to call you.” Said Tohru.

“Is his neck glowing?” Asked Akito in a scarred voice.

“Yes it was.” Said Tohru.

“I’ll be right there, call Kazuma. And Tohru, for your own well being stay away from Kyo until I or Kazuma get there!” Said Akito before hanging up.

“Was Akito worried?” She asked herself. She then dialed again and called Kazuma.

“Hello?” Asked a sleepy Kazuma.

“Kazuma! Akito told me to call you! Something is wrong with Kyo, and Akito was afraid, she was even afraid for me.” Said Tohru quickly.

“No... it’s past midnight! I’ll be right there! Tohru, hide in your room with a stake stay under your bed, and if Kyo comes in to your room stab him in the arm.” Said Kazuma.

“BUT!” She began.

“This is important! Kyo is no longer human, he is becoming a vampire, and if he sucks your blood the transformation will be complete, there is a stake attached to the bottom of the table, now go!” Yelled Kazuma before hanging up. Tohru went under the table and grabbed the stake, she then looked outside to see Kyo standing there, both Shigure and Yuki had been knocked out, Kyo then began to look at her, his eyes were glowing red, and he had an unearthly way about him. She began to back away and he took a step forward she then ran upstairs to her room and hid under her bed. After she was hidden she heard someone kick in her door. She shuddered in fear. Two feet appeared before her bed, suddenly another person came in the room.

“KYO!” Yelled Kazuma as he ran to the boy and oushed him onto the bed.

“You told her didn’t you!” Said Kyo in an angry voice.

“What do you mean?” Asked Kazuma.

“You told her that I am a vampire! You told her to be afraid! I heard the whole thing Shishou so don’t even try to lie!” Yelled Kyo as he pushed Kazuma off of him.

"I told her for her own good Kyo. You know you won't be able to keep yourself from killing her, you can't stop the bloodlust." Said Kazuma.

"I would never hurt her!" Yelled Kyo.

"You normally wouldn't, but now you are a vampire." Said Kazuma.

"Heh, so now I am even more of a monster no?" Said Kyo.

"No you aren't." Said Akito as she entered the room. "The curse of the cat has been lifted, and you are only half vampire, until you suck the blood of Tohru." Said Akito.

"Why Tohru!" Yelled Kyo.

"Because you love her." Said Akito. Kazuma looked toward the bed, he knew she was there, and Kyo nor Akito knew that. It was his way of warning her, that since Kyo loved her, he would suck her blood.

"Thanks Akito, you told her something I could never do myself." Said Kyo as he ran out of the room.

"What?" Asked Akito, Kazuma bent down and put a hand under the bed.

"It's okay, you may come out now." Said Kazuma, Tohru then took his hand and was brought out from under the bed.

"Is he gonna be okay?" She asked.

"In time, he will." Said Kazuma.

It was early morning and Kyo woke up to the sun, suddenly he despised that light, more than he despised water. He got up and looked outside, and he got a headache. He walked out of his room and down the stairs to find Tohru cooking with Kazuma. Kyo opened the fridge and took out the milk, he began to drink.

"GAH!!" Yelled Kyo as he spit out the milk, he looked at the date to find it wouldn't go bad for at least a week.

"I would suggest not drinking milk anymore." Said Kazuma as he placed a cup of red liquid on the table.

"What's that?" Asked Kyo as he looked at the glass, suddenly he wanted to drink it, even though he didn't know what it was.

"You need some blood in your system before you can accept human food." Said Tohru, as she looked away.

"Blood... that's..." Said Kyo as he looked at the glass in disgust, yet for some reason, he wanted to drink it.

“Drink it, or you’ll get weak.” Said Kazuma.

“I... I can’t.” Said Kyo, disgusted by what he had become.

“It is fine, it’s only fish blood.” Said Kazuma.

“But...” Said Kyo as he looked at the glass, his hand suddenly began to move on it’s own accord, he grasped the glass and lifted it to his mouth.

“What are you drinking you stupid cat!” Yelled Yuki as he looked at the cup of blood in Kyo’s hand.

“Yuki, shut up!” Yelled Shigure as he sat down next to Kyo. “It is alright Kyo, it is what you have to do.” Said Shigure.

“You are just gonna let him drink blood!” Yelled Yuki. “That is disgusting! Why would he want to drink blood!”

“Shut up!” Yelled Kyo as he ran out the door. Shigure glared at Yuki.

“He can’t help the fact that he was bitten by a vampire Yuki, and you should criticize him for that.” Said Shigure.

“He’s a what... he shouldn’t be allowed to be around Miss Honda it is...” He began but was slapped by Tohru.

“It isn’t his fault he is a vampire Yuki! And it is my decision whether or not I am around him!” She yelled as she ran out the door.

“Miss Honda!” Yelled Yuki as he began to chase after her, but was stopped by Shigure.

“The curse is coming to an end, because of Kyo, and you go an insult him when all he needs is help. Yuki he has become a vampire he needs to drink blood.” Said Shigure.

“Well not Miss Honda’s, or anyone else’s, he can starve!” Yelled Yuki.

“He broke your curse and that is how you repay him! You truly are a rat!” Yelled Kazuma angrily. “You only care about how you feel. Well maybe Tohru wants to be near Kyo, ever think of that!” Yuki looked at Kazuma with shock as the man glared at the boy.

Tohru ran through the woods looking for Kyo, she ran to the river to find him there, he had slit opened a fishes neck and the blood had pooled into his hands. He was looking at it with resentment. She walked up to him and placed a reassuring hand on his shoulder.

“You have to drink it, it is healthy for you.” Said Tohru looking at his reflection in the blood.

“I know, but he’s right it is disgusting.” Said Kyo as he began to let the blood pour out of his hands,

suddenly hers reached under his and the blood collected in her hands. She lifted it to his mouth.

“Drink, or I’ll force you to drink mine.” She said knowing that it would make him drink. She tilted her hands and the blood poured into his mouth, after the blood was gone from her hands he licked her hands, wanting more.

“The glass is still in the kitchen if you want it.” Said Tohru gently as Kyo licked her palm.

“I know.” He said as he began to kiss up her arms, he made his way to her collar bone, savoring the fact that he was the only one allowed to do this, he then kissed her lips, and she kissed back.

“We should get back.” She said against his lips.

“Yea.” said Kyo in a deep seductive voice, in which Tohru had never heard from him, his eyes widened in shock and he grabbed her hand and walked back.

They walked in to see Shigure and Kazuma, talking in the kitchen, Kyo went to the fridge to find the cup of blood with a plastic cover , he took it out opened it, and began to drink it.

“I see you got your appetite back.” Said Kazuma with a smile.

“Yeah.” said Kyo as he sat at the table.

“You two should start getting ready for school.” Said Shigure.

“OH!!!! You are right!” Yelled Tohru as she ran upstairs to her room to change. Kyo got up slowly and went to his room After he was dressed he looked in his mirror, his image was gone, so he couldn’t tell what he looked like, so he grabbed his books and went to the hallway, sure enough there stood Yuki, he gasped when he saw Kyo.

“What are you wearing makeup?” Asked Yuki.

“What, no! I can’t even see my own reflection, what makes you think I would put on makeup!” Yelled Kyo.

“Kyo kun! Your face is so pale! Are you sick!” Said Tohru as she came out of her room. She quickly ran to him and checked his temperature.

“Stop worrying, Kyo is a vampire, it is only natural for him to be pale.” Said Kazuma, as he handed Kyo sunglasses.

“What?” Asked Kyo.

“The sun is out, it will hurt your eyes.” Said Kazuma. Kyo took the glasses and walked outside, suddenly the sun became unbearable to his eyes, he put on the glasses and began to walk, Tohru and Yuki behind him.

Kyo walked into the school yard and almost all the girls flocked, to them Kyo had become the single most handsome man in school, even though his face was pale, and he was wearing sunglasses, for some reason he was just different. He walked into home room and sat down. He looked at the ceiling not really paying attention.

“Um... Kyo san, I was uh wondering if maybe we could um go out sometime?” Asked a girl.

“No, I already have a girl that I like, I am sorry.” Said Kyo, but it was not in Japanese, it was some foreign language that he had never heard. Suddenly all of the girls looked like they were in a trance, and began to walk toward him.

“HEY!” He yelled angrily, though it was useless, they just kept coming, suddenly Tohru pushed past the girls and stood in front of him.

“I am sorry, but I think it'd be better if you stayed away from Kyo kun.” Said Tohru with her arms stretched out.

“Tohru?” Asked Kyo, she to began to look like she was in a trance, he quickly went up to her, turned her around and kissed her right on the lips. Suddenly the trance was broken and the rest of the girls stood there heart broken.

“Kyo kun?” Asked Tohru as she pulled away.

“Sorry.” Said Kyo in a low voice as he looked away.

“ORANGEY!!!!!!!!!!!! How dare you kiss our Tohru! You bastard I am gonna kill you!” Yelled Arisa as she walked up to Kyo, and was about to punch him.

“AH! No please Uo chan! I'm not mad at him I just didn't expect him to kiss me.” Said Tohru as she tried to calm her friend down.

“Your waves are very different, I have felt this before.” Said Saki as she looked out the window.

“R... really? Where?” Asked Kyo.

“In a vampire...” Said Saki in a whisper, she then understood, the sudden change within Kyo, he was becoming a vampire, and he had to suck Tohru's blood to become a full one.

“How long?” Asked Saki.

“The transformation became complete last night.” Replied Kyo.

“Well if you do suck her blood, make her into a vampire as well.” Said Saki.

“What!” Said Kyo.

“You’ll find that it is better to live with you love then without them.” said Saki as she smiled at Kyo, showing him a pair of fangs. Kyo suddenly smelt a weird smell, that of which he had smelt this morning, he ran out of the room and into the boys bathroom, there lay a bird that had been wounded, blood was coming out of its side.

“Kyo kun?” Asked Tohru as she walked into the boys bathroom. (It’s an old bathroom that no one uses so she wont get in trouble.)

“What!” He said as he turned around quickly afraid that it might not be her.

“Are you alright?” She asked, she then saw the bird in his hand and put two and two together. “Were you hungry Kyo kun?”

“No it’s more of a blood lust.” He said looking at the floor in disgust.

“It’s okay, you can’t help it.” She said as she placed a hand on his shoulder. She grabbed his hand and lifted the bird to his mouth. He descended his fangs to the birds small body and began to drink, he drank till the last minute of life, for some reason it seemed safe to him. He put the body in the sink. He turned to face her, and there was blood running down from his mouth.

“Hm... I guess you already know when to stop.” Said Saki as she came from the darkness.

“Yeah... it kinda came naturally, but then again, the vampire gene has been waiting inside sense I was 10.” Said Kyo.

“How exquisite, and very lucky. I was out for a week when I ate past the death, I even began to lose blood.” Said Saki.

“Hanna chan... you are a vampire too?” Asked Tohru.

“Yes Tohru, that is how I met you. You see I was gonna kill myself at a yung age, but when I tried your mother sucked my blood, making me half a vampire. Your mother was also half vampire.” Said Saki.

“Why wasn’t I ever told?” Asked Tohru sadly.

“It was something your mother couldn’t tell you.” Said Saki. Suddenly Kyo began coughing, and while he was blood came from his mouth.

“OH! Kyo!” She said as she went to his side.

“He’ll be fine, it happens sometimes when you drink through your fangs for the first time.” Said Saki.

“I wish I had known that.” He said as he stood, blood trickling down his chin. Tohru quickly took out a cloth from her pocket and wiped it away.

“We should get back to class.” Said Tohru with a smile.

“He can’t, if he coughs up blood, they’ll send him to the nurse and they’ll wonder why his heart isn’t beating.” Said Saki.

“We should just leave.” Said Kyo as he walked out of the bathroom Tohru and Saki behind him, they snuck out to where the lockers were to find Arisa already there.

“So, Hanna chan, why again didn’t you tell me and Tohru you were a vampire?” Asked Uo with a smirk.

“So you heard, well then you know we are leaving.” Said Saki.

“Yea. Yea, that’s why I am here, if you two leave I have no reason to stay so I’ll go with you.” Said Arisa.

“Okay.” Said Tohru with a smile.

“Miss Honda, what are you doing here?” Asked Yuki as he walked into the locker area.

“Oh uh Sohma kun... I uh...” She began to think. ‘UH! What do I say... I shouldn’t be skipping anyway, I did make a promise to mom.’ She thought.

“You coming Tohru?” Asked Arisa.

“Uh...” Said Tohru as she looked at her friends and then to Yuki.

“Miss Honda are you skipping?” Asked Yuki.

“I uh...” Said Tohru.

“Miss Honda you shouldn’t skip especially with that vampire neko baka. It wouldn’t be safe...” Began Yuki as he reached a hand to grab hers.

“You know what! It will be safe, cus I will be with my friends and Kyo!” Said Tohru as she began to run to where the others were waiting, but Yuki grabbed her hand.

“No Miss Honda, you can’t go with them!” Said Yuki as he pulled her close.

“It isn’t your decision!” Said Tohru as she tried to get away, but he had a strong grip on her, he then kissed her. Kyo stood there in shock. Tohru then pushed him off.

“What makes you think you can kiss me.” She said as she ran to Kyo and hid behind him.

“Come on.” He said as he took her hand and they all began to run.

## 2 - Delinquency

They ran down the streets together, not really caring where they were going. They all stopped in front of a house that looked so attractive that they all had to go in. As they walked up to the gate Saki held back, but then went on to catch up, Kyo pried the boards off of where the door was and then they entered. Kyo felt another presence and was on guard. Suddenly a girl jumped from the ceiling and landed before them.

“AH!! Saki!” Yelled the girl as she hugged her.

“Hello Emiri, how are you?” Asked Saki.

“Famished! Did you bring me these humans to eat.” Said Emiri as she eyed Tohru and Arisa. She then went to Arisa.

“Bite me and you die.” Said Arisa madly.

“Hm... spunky, I guess the other one will have to do.” Said Emiri as she went to Tohru fangs ready, Kyo then pushed her out of the way and put an arm around her waist, bringing Tohru close to him.

“Stay away from her, or I will kill you!” Said Kyo in the foreign voice.

“Oh another vampire... so that girl will be your prey?” Asked Emiri.

“I’d never bite Tohru, never in a billion years!” Yelled Kyo.

“Hm... how did he learn Transylvania?” Asked Emiri as she turned to Saki.

“I’m not sure, he’s only been a vampire 1 day though.” Responded Saki.

“ONE DAY! But there hasn’t been a vampire biting a human to make them a vampire in this city in seven years.” Yelled Emiri.

“That’s how long ago I was bitten.” Said Kyo.

“WHAT! Then you’d have to have been bitten by Alucard!” Said Emiri.

“I wouldn’t know... I was bitten when I was 10.” Said Kyo.

“Oh... so it had to have been him.” Said Emiri as she looked away. ‘Which means this boy holds the blood that killed Dracula and Alucard. He must be strong.’ she thought to herself.

“So is this girl to you?” She asked.

“None of your business.” Said Kyo as he held Tohru closer.

“Oh I get it. You like her, and if you suck her blood you become a full blown vampire.” Said Emiri.

“Uh... “ Kyo was speechless.

“Wow... I didn’t think I’d be right.” Said Emiri as she looked out side.

“It’s almost sunset isn’t it.” Said Saki.

“Yea... I’ll be leaving this town tonight, so feel free to use my home to your benefit.” Said Emiri as she went to the stairs. Saki watched after her silently and turned.

“Come on, we have to go home. If I am right tonight is your first night being a vampire Kyo.” Said Saki.

“Yeah... well technically.” Said Kyo.

“You must get home and lock yourself in your room before the sun sets.” Said Emiri.

“Why?” Asked Kyo.

“Because, your blood lust gets stronger at night, and the first night is always the hardest to stop yourself from killing.” Said Saki.

Kyo and Tohru walked into the house to find a fuming Yuki.

“Where were you!” Yelled Yuki angrily.

“At a friends.” Said Kyo looking out to see the last bit of the sun. “Now if you excuse me I have to go to my room.” He said while brushing past Yuki, who grabbed his hand.

“No you aren’t. I saw what you became yesterday, and it gets stronger at night, especially the first night. I’ll let Tohru see who you became, and then she wont be to happy to choose you over me.” Whispered Yuki into his ear.

“Listen nezumi, if I don’t go to my room I’ll wind up killing you, now let me go!” Yelled Kyo as he pried his arm from Yuki. Suddenly he felt the need for blood, he fangs began to throb in his mouth, he fell to the floor, he then bit into his hand.

“Kyo kun?” Asked Tohru as she approached him.

“Get back!” He yelled, he then stood, his eyes became pure red, his face became whiter then a ghosts, he used all of his strength to run to his room, once there he looked the door and fell to the floor.

“GAH!!” He cried out. Visions of him biting Tohru came into his veiw, her screaming and holding him to her neck to keep him from stopping, himself filling with her blood becoming whole, her body becoming limp, as she dropped to the floor, staring back at him, as her eyes closed and she smiled.

'I love you.' and she fell to the floor before him, he fell as well and cried. He opened his eyes and looked around, he was still in his room, he got up and coughed up blood. He crawled to his bed and lay there, he stared out the door. He could tell Tohru was there.

"Tohru please go away, I am trying to contain myself from killing you and it isn't helping since I can smell you through the door." Whispered Kyo.

"But... I'm worried about you." She said gently. She heard him cough. "Kyo I am coming in." She said as she took out a spare key and put it into the lock.

"NO!" He yelled. She opened the door and peered in, he was nowhere to be seen, she stepped in and the door closed behind her, she looked up and Kyo fell on top of her.

"I told you not to come in." He said in a voice that sounded restrained.

"I was worried about you." She said, suddenly his claws went above her shoulder digging into the carpet.

"You have to get out, before I can't control it." He said.

"I'm not leaving." She said as she wrapped her arms around his neck and brought him down over her, she then kissed him fully on the lip. Kyo could feel the vampire in him want her blood, he pulled himself away from her.

"I can't... I almost..." He said, and then he began to cry. "I'm so sorry!" Said Kyo through tears. She wrapped her arms around him gently. He got up and walked to his bed, and sat down.

"Do you want me to stay with you?" She asked.

"No, I don't wanna hurt you." He said gently.

"Alright Kyo, I'll see you in the morning." Said Tohru as she went to the door, as the light poured in she looked back at him and smiled, she then closed the door.

It was morning, but it was hard to tell from where he was. Kyo got up and looked around, he appeared to be in a luxurious room. The bed he was on was soft and had red blankets. He got up and looked around, whoever owned this room loved to martial arts, it was very obvious from the various weapons hanging on the walls. It was strange it reminded him of his own room, only this was, so much more comfortable. He went to the door, same as his own, when he opened it he was in the Sohma home he shared with, Tohru, Shigure, and Yuki. He went down the stairs and Tohru was there cooking like every morning.

"Tohru... can you come with me for a minute?" Asked Kyo.

"Oh, um sure." Said Tohru as she placed the plates on the table, before Yuki and Shigure. As her and Kyo went to the stairs Shigure followed. Kyo led them to his room, and when he opened the door it was still as how he had woken up.

“WOW! Kyo what have you done to your room!” Said Shigure in surprise.

“You mean neither of you did this?” Asked Kyo.

“How could we without waking you up?” Asked Shigure.

“But Kyo... you didn’t do this?” Asked Tohru.

“No it was like this when I woke up.” Said Kyo, he had then noticed that the windows had been covered with heavy drapes. He went to the curtains and moved them, it led to a door to the outside that was like a courtyard. Kyo ran outside to where his window would be, when he looked it appeared flat and all you could see where the curtains. He went back to his room and to where the ‘courtyard’ was, he stepped in.

“What is going on here?” Asked Kyo.

“I’m not sure.” Said Shigure.

‘Hm, you mean it isn’t obvious?’ Said a voice in Kyo. ‘Don’t worry, I’m the cat spirit, I am about to leave. This is the final wish of your sire. That you live in luxury where ever you live after the vampire in you comes out. Once you leave this house for good, this room will become as it was before.’ Said the cat as it disappeared.

“Oh my! Shouldn’t you be getting to school!” Said Shigure.

“I’m not going, I think I’ll hang around town today.” Said Kyo as he went to his closet, which still held all of his clothes.

“But Kyo you have to go to school.” Said Tohru looking down sadly.

“I can’t not with what’s been going on, you saw what happened yesterday, I’d be putting anyone who starts to bleed in danger.” Said Kyo as he pulled out cargo pants.

“Wait bleeding as in from a wound or as in from a perio...” Began Shigure to be hit by Kyo.

“SU KE BE!” Yelled Kyo angrily.

“Kyo what’ll you do all day?” Asked Tohru.

“Hm... probably go to the dojo and train with Shishou.” Said Kyo, as he sat on his bed. Tohru then left him to change, Kyo packed his book bag with his uniform and books, just in case Shishou made him go to school. He then climbed out through his courtyard, he then went to the farthest ends of the courtyard where there was a door, he climbed out and was where he wanted to be, he then jumped from his window and began to run to the dojo.

Tohru looked out the window sadly, it hurt her inside when she thought about Kyo not being in school.

"Ms. Honda!" Yelled the teacher.

"Hai Sensei!" She said quickly.

"Please read the page." She responded and Tohru began to read.

"Through all darkness shines light, but it takes truly beautiful minds to release it." Began Tohru when the door opened.

"I'm sorry to disturb your class, but my apprentice thought he could skip school today." Said a man with grayish silver hair that no one recognized, but Tohru.

"Oh, and who are you?" Asked the teacher.

"Sohma Kazuma, Kyo kun's Shishou, and legal guardian." Said Kazuma.

"Oh so Orangey isn't sick... looks like I'll have to dye his hair to teach him a lesson." Said the teacher pulling out a box of hair dye.

"That wont be necessary, he has already been punished, right Kyo?" Asked Kazuma as he pulled on a rope and Kyo came into the room his hair had black streaks in it.

"HAHA! The cat lover looks more like a tiger!" Yelled a boy in the background.

"Of course it is only temporary." Said Kazuma.

"Not funny!" Said Kyo angrily.

"If you leave me no choice Kyo, I'll dye you hair pink." Said Kazuma.

"Don't you dare!" Yelled Kyo.

"Sit down tiger." Said the teacher. Kyo glared at the teacher, he then raised a hand angrily, and his eyes began to glow. Kazuma then tackled Kyo to the ground.

"Not here." Whispered Kazuma into his ear.

"Ok, Kyo sit down." Said the teacher.

"Fine sensei." Said Kyo as he took his seat next to Tohru.

The bell rang and Kyo stayed after to get his work from the teacher, when he walked out Tohru was sitting there waiting.

"Hey, who you waiting for?" Asked Kyo.

“You.” She said with a smile, and they began to walk down the hall.

“Wanna have lunch together?” Asked Kyo.

“Sure... where?” Asked Tohru happily. Kyo then took her hand and led her outside. He then looked around for a second, and then went back inside and led her to a staircase, and then to the roof. He then sat down and looked at the sky.

“So you wanna eat here?” Asked Tohru.

“Sure.” Said Kyo as he sat up. Tohru then sat down as well and pulled out her bento. She handed him an onigiri, and took one for herself.

“It’s so nice out today!” She said happily as she looked at the sky. Kyo then kissed her gently on the cheek. He then kissed her on the lips and pushed her down gently.

“I saw you looking out the window, what were you looking for?” Asked Kyo, his lips barely left hers.

“I was worried about you.” Said Tohru blushing lightly.

“Why, I’m a vampire, there is nothing to worry about.” Said Kyo with a smile which showed his fangs.

“But... shouldn’t you stay in school, it’s only a month till graduation.” Said Tohru, Kyo then sat back and looked at the sky quizzically.

“It is!” He said with astonishment. He stared at the sky for awhile, then turned to her. “I’m dropping out.”
