Since I am too lazy to do the comic then I'm doing it in a story
:P the characters will be in the following colors:

Robin

Starfire

Beastboy

Raven

Cyborg

And last bit not least copycat (me)

Continuing from where I left in the picture

Starfire: *gasp* *flies towards copycat and hugs him very tight* can we keep him?

Beastboy: I don't know

Starfire: please please please please please

Beastboy: ok ok just don't let robin see it

Robin: too late

Beastboy and Starfire: aaaahh

Cyborg: wacha got there?

Raven: looks like a cat

Robin: your not gonna bring another pet into the tower are you?

Starfire: *looks at robin with cute eyes*

Robin: ok Starfire you win

Copycat: mew :translation yay

Cyborg: just don't let him chew on the wires

Beastboy: I'll help her take care of him

Everyone goes into the tower

Starfire: *lets go of copycat*

Copycat:*looks around the tower*
