Tokyo was demolished! Godzilla had demolished it when the asteroid woke him up. There was a loud thud and someone that looked a lot like Zone Fighter appeared. The same head but a different outfit. "Who are you?" said Zone. The person did not say anything. But he got in a combat stance which told Zone he wanted to fight. Zone too got in a combat stance, "Ya!" Zone ran at this someone and started using a series of jabs which the stranger blocked. The guy punched Zone in the face and he stumbled backward. Zone did the same and the fighter fell to the ground. But then Zone figured out who this someone was. He was Ultraman. He just knew by his fighting style. "Uke aka bito!" he said, and round arm guns appeared on his wrists. When he started shooting, Ultraman was in deep pain. He fell to the ground. But then he flew away and Zone knew there was more to come.

3 - Godzilla fights Jirass

Godzilla was at Mt. Fuji looking for his son. Minya was Godzillas small, round-headed , trouble-finding son. He had buckteeth with big bulging eyes. Suddenly Godzilla heard a cry of fear from afar. Therefore he started running until he reached the sight of his son at the mercy of a frilled version of himself. But this monster was not another Godzilla, but a monster named Jirass. The two charged at each other. But Godzilla was faster and he elbow- pushed Jirass, causing him to to fly to the ground. Godzilla shot his heat beam at his frill and it split in half. Jirass roared in pain. Godzilla was now punching him to death! When Jirass got up he takled Godzilla, and they fell down in the water. Godzilla was biting his neck. Then the worst happened. Godzilla used his heat beam while having ahold of Jirasses neck with his mouth Then Jirasses headless body fell to the ocean floor.
