Chapter 1 - You or Me

1 - You or Me

I'm you? Or am I me because you are you? But who are you then?

Are we nobodies like that poem by Ms Dickens?

Or are we everyone, but my emotions, fear stricken?

I think I'm me, my mirror must lie for I am not what I see there before me, but do I see you?

We are people in this world few of so many thousands of souls of beauty created for one purpose, not our own.

But most just wanna be left alone to dwell and lament and cry and moan.

I am me, I am not alone. You are you, we are alive. I look in your eyes and see me staring back at me. Do you see you when you look at me?

Confidence, show. Faith, grow. Tears, dry. Distrust, die. People, live. People, hope

Never give up.
