**Chapter 1 - Good Night**

# 1 - Good Night

5/1/05

Tis the night

Young sweet child

Have no fear

I'll wipe away your invisible tear

And hold you close

Hold you tight

Please young child

Don't you cry

Tis only good night

And not good bye

Give me a kiss

As I leave

Oh young sweet child

I know you will not miss

Miss me if I leave

Tender sweet child

Close your eyes

And do not cry

Let flights of devils wings

Whisk you away

Do not think of things

Things that haunt your mind

Young sweet child

You must sleep

Sleep forever

As they weep

Tis good night

Tis good bye
