**Chapter 1 - Suicide Fairy**

**2**

## 1 - Suicidle Fairy

She weeps the whole day through  
The other fairys laugh at her  
and make her even more blue  
she finds a knife to be her friend  
that won't stab her in the back  
but will cut her hand  
to see the blood run down the drain  
makes her head hurt  
feeling like something penetrated her brain  
Suicidle Fairy is her name
