Chapter 1 - Human Emotions

2

1 - Human Emotions

We wake and do
what we have to do
Some of us think life is great
others think life is full of hate
Some are goths
others are preps
some commit suicide
others live their lives in steps
There is no true emotion
among the human race
but that is so not the case!

yup it rocks dosent it?! well i hope u gusy and gals enjoy it and PLEASE COMMENT!!!
