1 - Disappear

Disappear 11/17/06

Pain and sorrow
It's all I ever feel
Frustration, anger
I will never heal
It's all my fault
They all want me to keel
Over and over
Confused and sick
It sends a cold chill
Regret, fear
It's truly not my will
To make them think this way
I'm never allowed to stay
Tolerate me till
I just
Go
Away
