1 - Stop Me

Stop Me 1/8/07

Don't you see
I'm crying out to you
Begging, please don't leave
I can't survive alone
watching you
I can't help but feel
you don't care

I can fight this
I will win
You can't stop me
I'm already in
The pain that I've felt
Is lost in the wind
I'm stronger than fire
You can't stop me now

(I am your judge
I am your jury
I am your executioner)

Defy me again
torture me still
I'll show you my love
you'll watch as I kill
your ambitions
your dreams
your life

I can fight this
I will win
You can't stop me
I'm already in
The pain that I've felt
Is lost in the wind
I'm stronger than fire
You can't stop me now

Is this what you want!
To see me in pain!

Well you got your wish
Now it's my turn

I can fight this
I will win
You can't stop me
I'm already in
The pain that I've felt
Is lost in the wind
I'm stronger than fire
You can't stop me
You can't stop me
You can't stop me
You can't stop me now!
